Chief Pless,

Effective as of October 1, 2020 I hereby resign all of my positions with the Center Pigeon Fire Department to include part-time employment, volunteer membership, firefighter's relief fund board, and Board of Directors membership. After a fifteen plus year membership with the department this is not a decision I have made with hast. But due to personal and professional reasons I must resign. Feel free to contact me with an additional questions or actions needed on my part.

Respectfully,

Cody Parton
