

◀ Checklist and Affidavit for Slope Construction or Repair ▶

Land-Disturbing Permit # _____, PIN# _____

Building Permit # _____, Location: _____

I now state under oath that I have performed all slope construction and or slope repair activity on this project, for which I am responsible (or upon land I own), in compliance with the provisions of Chapter 158 of the Haywood County Code of Ordinances and within the obligations set forth as stated herein. In addition, I specifically acknowledge the items below that relate to my slope work; and, they accurately apply to this project.

- 1- All cut slopes on the project are 1:1 or flatter (horizontal to vertical projection).
- 2- All fill slopes on the project are 1.5:1 or flatter (horizontal to vertical projection).
- 3- All fill slopes on this project are free of any organic material or other regulated material.
- 4- All fill slopes were constructed in approximately 9-inch, compacted lifts.
- 5- Prior to placement of fill material, the work area was stripped of organic layers or organic material.
- 6- All artificial slopes are protected from runoff by proper sized measures, devices or structures.
- 7- The earth material on the site was compacted as per the Ordinance, and all artificial slopes are stable.
- 8- There are no slopes on this project taller than 40' and steeper than 1:1 for cuts or 1.5:1 for fills.
- 9- Required setbacks were marked prior to construction.
