COMMISSIONER

**JENNIFER M. BEST**  
COMMISSIONER

# MANAGER'S MESSAGE

## **Honorable Chairman Ensley & Members of the Board of County Commissioners,**

In accordance with the General Statutes of North Carolina, I am pleased to submit for your consideration the Manager Recommended Fiscal Year 2022-2023 Budget. The budget is balanced and prepared under the guidelines of the North Carolina Local Government Budget & Fiscal Control Act. This budget reflects the expressed priorities outlined by the Haywood County Board of Commissioners while preserving the strong fiscal condition of the county. The Recommended Budget is based on a tax rate of 53.5 cents per \$100 of property value, using a total valuation of \$9,743,048,885.

The Manager's Recommended Fiscal Year 2022-23 (FY 23) Budget is a conservative budget. Although the county is still fiscally healthy, monies held in the Fund Balance and revenues earmarked for specific projects were mobilized to combat two major emergencies: COVID-19 and Tropical Storm Fred. With that in mind, this budget allocates funds to support critical functions of government without overextending the tax base. The following are some of the key drivers that influenced budgeting decisions for the upcoming fiscal year.

# MANAGER'S MESSAGE

## Employee Retention

The Haywood County Board of Commissioners were strong advocates for the implementation of a Compensation Study for county employees to ensure the fairness of wages within the labor market. The County Commissioner's foresight to implement the study alleviated the strain of underemployment faced by many other counties and municipalities. Without implementation, the county may not have been able to retain essential staff when the need for highly trained and motivated employees was at its peak. The FY 23 Budget funds an entire year of the Compensation Study.

## Employee Well-Being

Haywood County continues to invest in the well-being of its workforce by allocating funds to expanding ongoing health and wellness initiatives. Responder Support Services, a support network provided to assist Public Safety employees, will be available more days per week and Aetna, the county's health insurance provider, will be launching a new healthy living program called Attain. These investments will support employees in their journey to better wellness.

## Inflation

The Consumer Price Index (CPI) is 8.8% higher than it was in April 2021. To account for the increase in prices of everyday consumer goods and keep pace with the market, the FY 23 Budget also funds a 3% COLA and 2% Merit increase for employees.

Inflation also affects the operational costs of running the County. Rising gasoline prices are apparent to most, but other products, like medical supplies, are also exponentially more expensive than they were in previous years. As a result, it was necessary to allocate more funds into department operating accounts than in previous budgets. To accommodate these reallocations, this budget only satisfies department requests to replace equipment at end-of-life. Requests for additional equipment will be evaluated as true cost of operating expenditures becomes clearer later in the fiscal year.

## Supply Chain Problems

Acquiring vehicles has been a challenge in the current fiscal year due to ongoing supply chain issues. Multiple vehicles budgeted in FY 22 were unavailable for purchase, and thus they have been moved to the FY 23 Budget. This budget allocates funds to keep the vehicle replacement schedule on track for the upcoming fiscal year. It also allocates additional funds for repair and maintenance, with the intent of keeping county vehicles on the road as long as possible in the event of limited availability.

# MANAGER'S MESSAGE

Although conservative, the Fiscal Year 2022-23 Manager's Recommended Budget allocates available funds to support key functions and initiatives. Employees are critical to the success of the county, and this budget continues to invest in retaining and uplifting them. Economic uncertainty stemming from inflation and supply chain issues led to greater allocations in operating expenditures, but these investments will assure continued responsiveness to community needs.

The Commissioners may wish to schedule budget work sessions between now and May 31, 2022 to review all facets of this budget. I would like to schedule the public hearing on the FY 2023 budget on Tuesday, May 31, 2022 at 5:30 p.m. in the Haywood County Historic Courthouse.

In addition, the Haywood County Board of County Commissioners will hold its regularly scheduled meeting on June 6, 2022, at 9:00 am, in the Haywood County Historic Courthouse. At this meeting, the Board may consider the adoption of the FY 2023 budget.

A copy of the proposed FY 2022-23 County Budget is available for public inspection in the Office of the Clerk to the Board located in the Haywood County Historic Courthouse, 215 North Main Street, Waynesville, NC, the Main Library located at 678 South Haywood Street, Waynesville, NC, and on the Haywood County website, at [www.haywoodcountync.gov](http://www.haywoodcountync.gov).

Public comment is greatly appreciated.

Respectfully submitted,

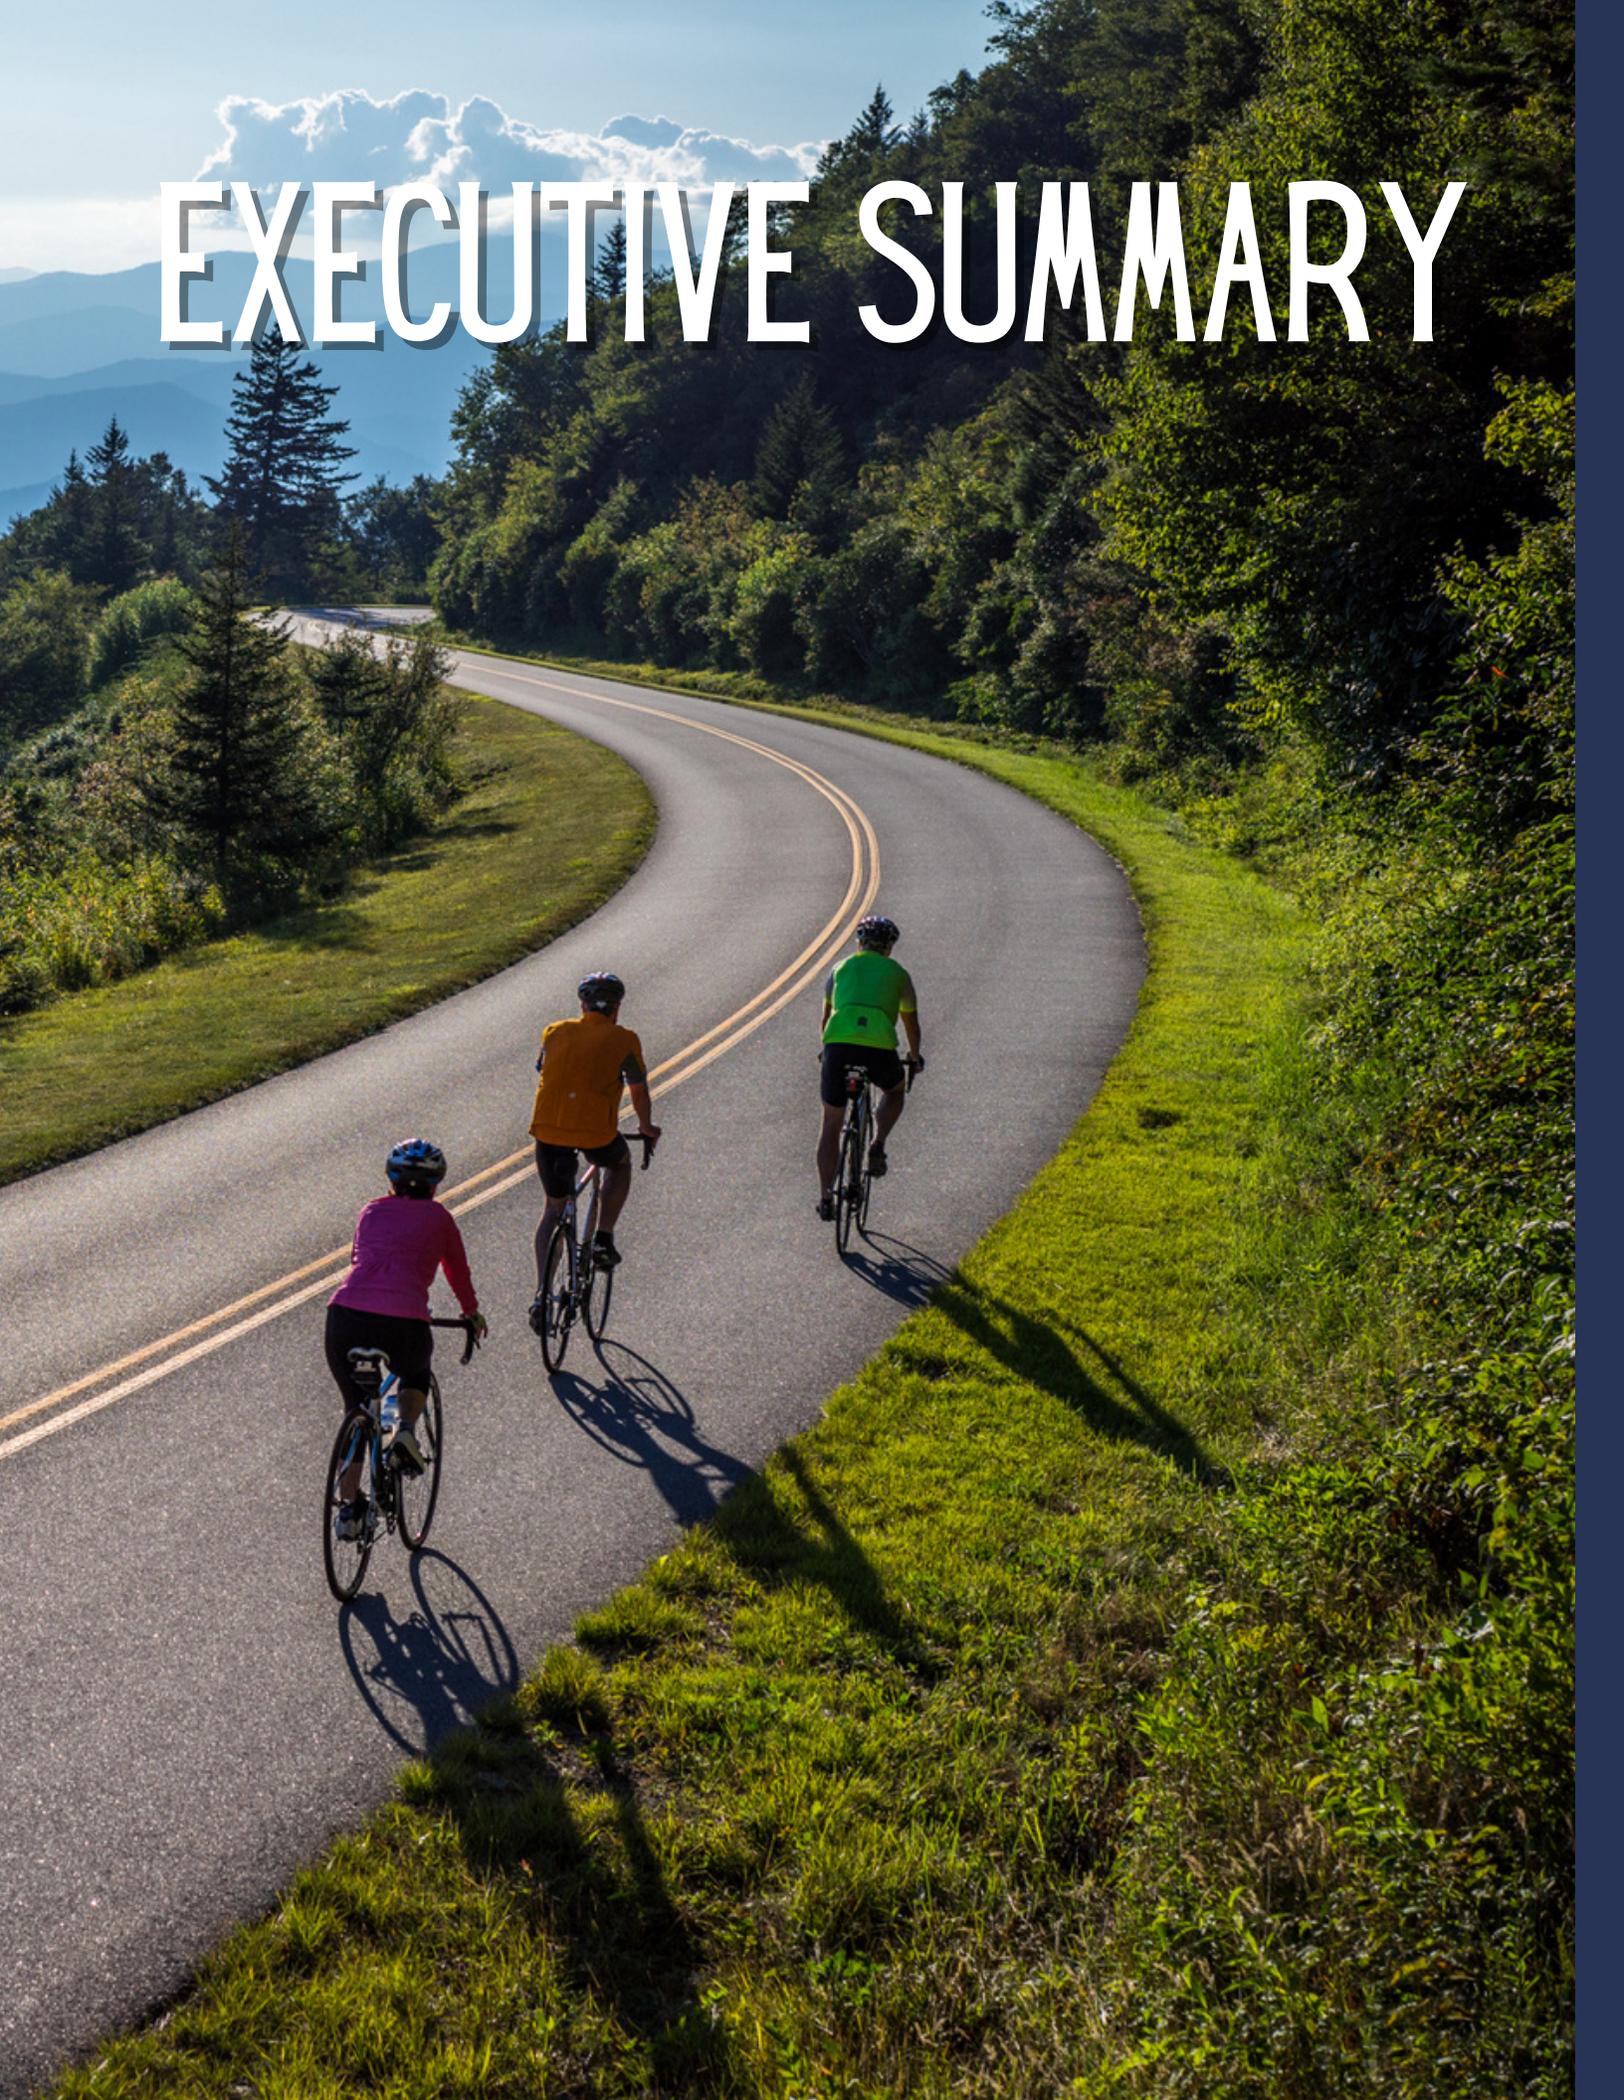

**Bryant E. Morehead**  
County Manager

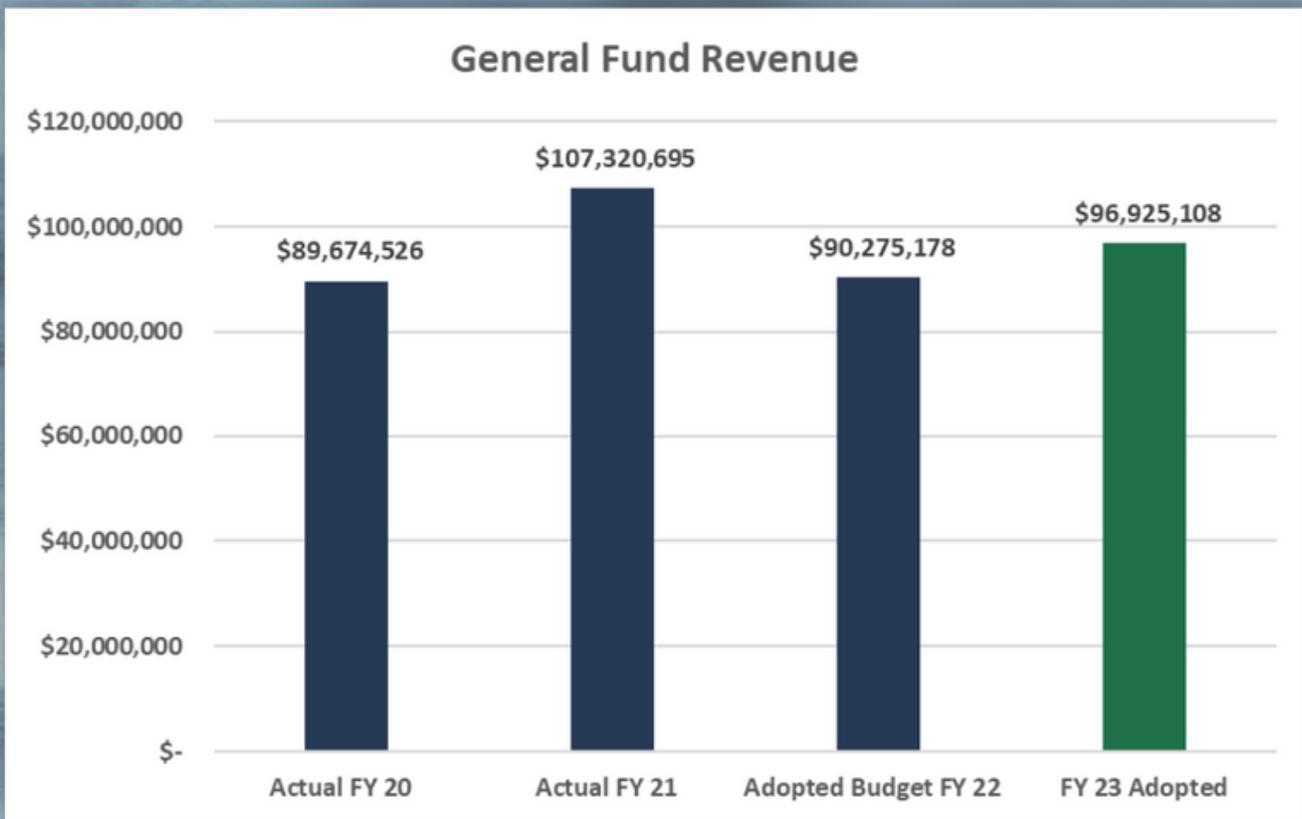

# EXECUTIVE SUMMARY

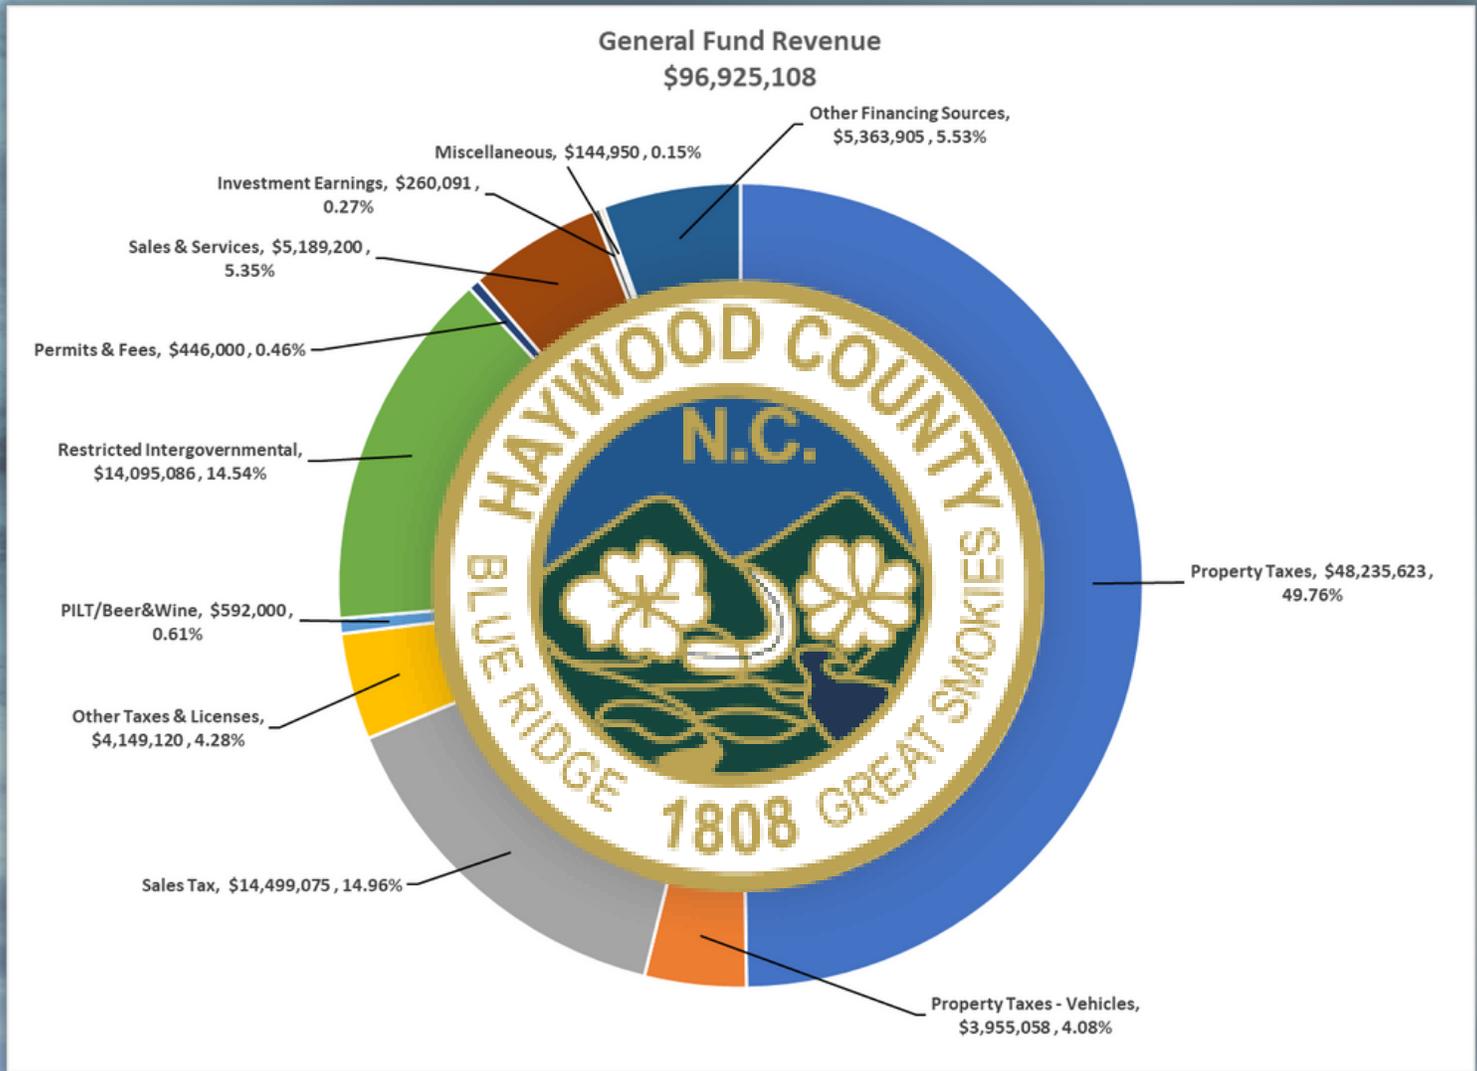

# GENERAL FUND REVENUES

The Fiscal Year 2022-23 (FY 23) General Fund Revenues have grown from \$90,275,178 in Fiscal Year 2021-22 (FY 22) to a total of \$96,925,108 in FY 23. These revenue amounts include appropriated fund balance needed to balance revenues and expenditures. In FY 22, \$5,913,992 was appropriated from fund balance in the budget. In the FY 23 budget, the amount of fund balance allocated to balance the budget was reduced by \$557,587, to a total of \$5,356,405. Overall, if fund balance is excluded, the County is showing an increase of \$7,207,517 in revenues from FY 22 to FY 23.

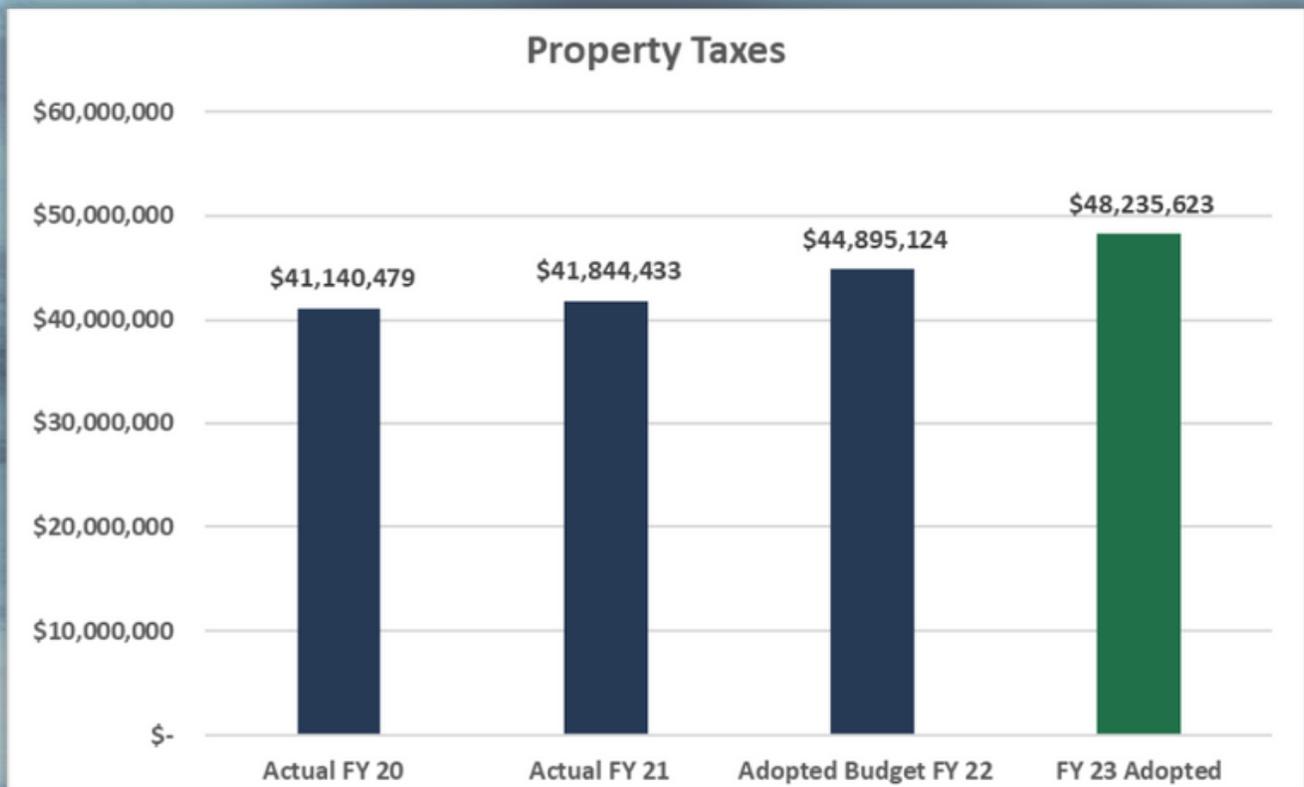

# REVENUE BREAKDOWN

“General Fund Revenue” breaks down the major revenue drivers for the County. The three largest are Property Taxes, Restricted Governmental, and Sales Tax. In sum, they represent roughly 79.26% of the County’s revenue. Individually, Property Tax is the largest at 49.76%, Sales Tax is second at 14.96%, and Restricted Governmental is third at 14.54%. All other revenues amount to 20.74%.

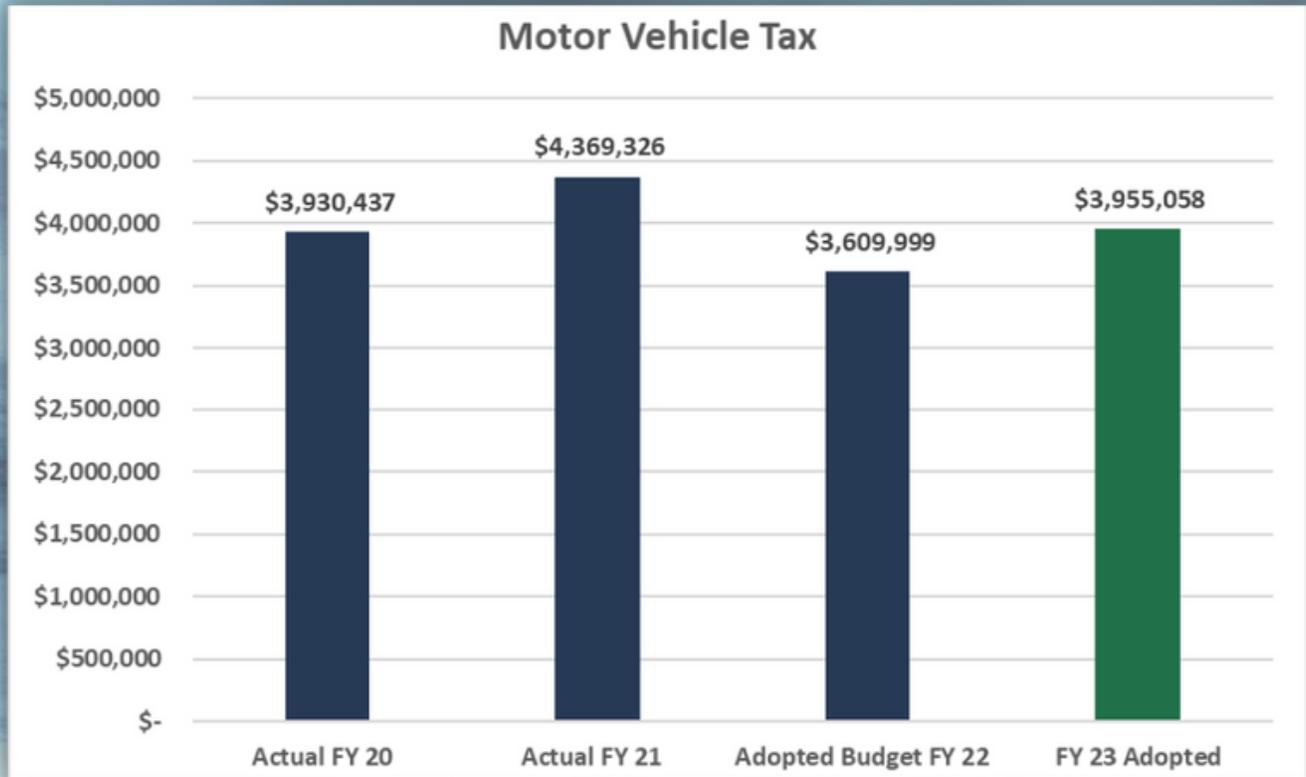

# PROPERTY TAXES

The majority of tax revenue received by the County is derived from real estate, personal property, and utility taxes. The Property Tax slice represents these different sources in the pie graph. The Recommended Budget includes an additional \$3,340,499 or an increase of 7.44% over FY 23. We have accounted for some natural growth in the tax base and this budget uses a collection rate of 98.16%. This collection rate is about four-fifths of a percentage point higher than the FY 22 budgeted collection rate.

# MOTOR VEHICLE TAX

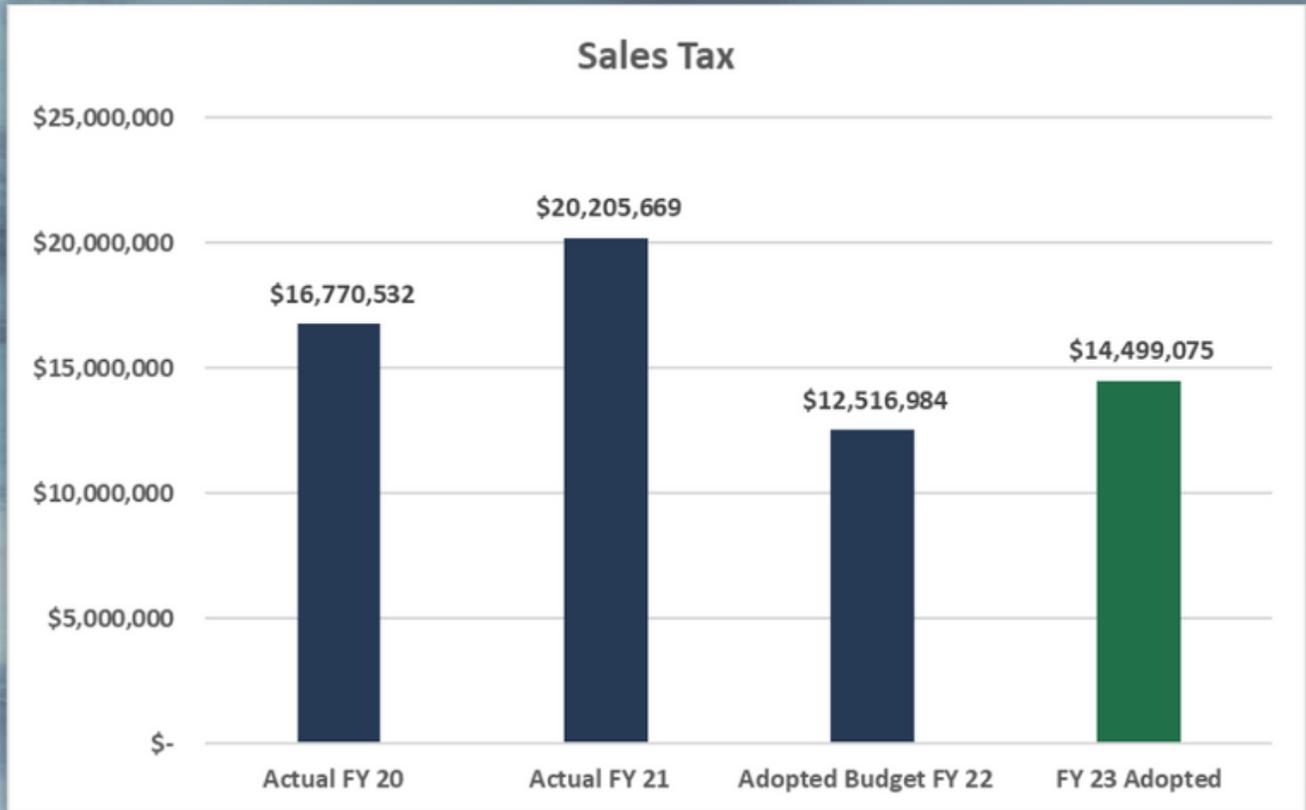

Another significant portion of the County's revenue comes from the tax on motor vehicles. The recommended budget includes \$3,955,058 of motor vehicle tax revenue, which is a increase of \$345,059. The increase in motor vehicle tax is largely due to the improved value of used cars.

# SALES TAX

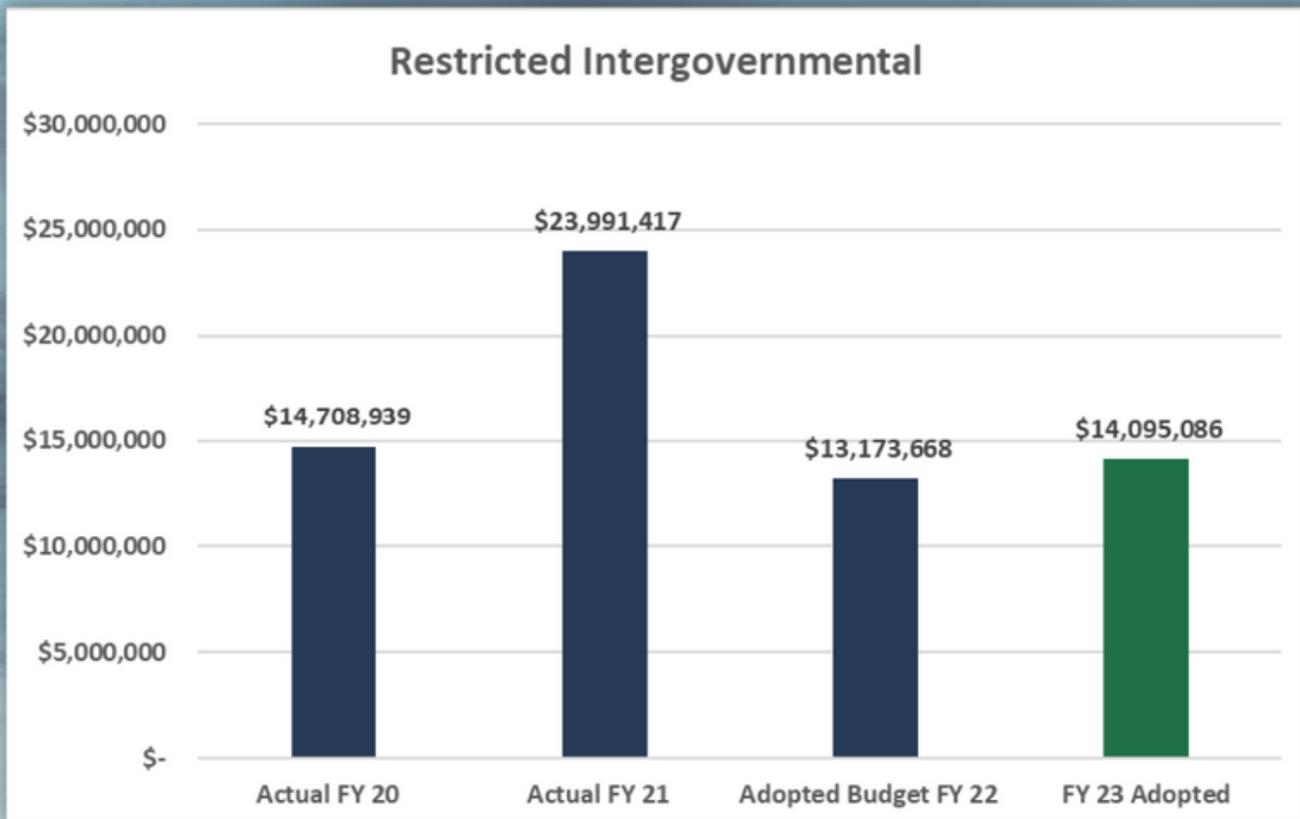

The recommended budget includes just over \$14.5 million in sales tax in the general fund for next year. This is equal to an increase of \$1,982,091 or 15.84% compared to the current year (FY 22). Sales Tax revenue was calculated based on projected actuals through the end of FY 22 and increased by 3.75%. The 3.75% increase from FY22 projected revenue was recommended by the NCLM.

It is worth noting that this amount does not include sales tax revenue earmarked for Haywood County Schools and Haywood Community College. Those revenues are located within designated debt service funds.

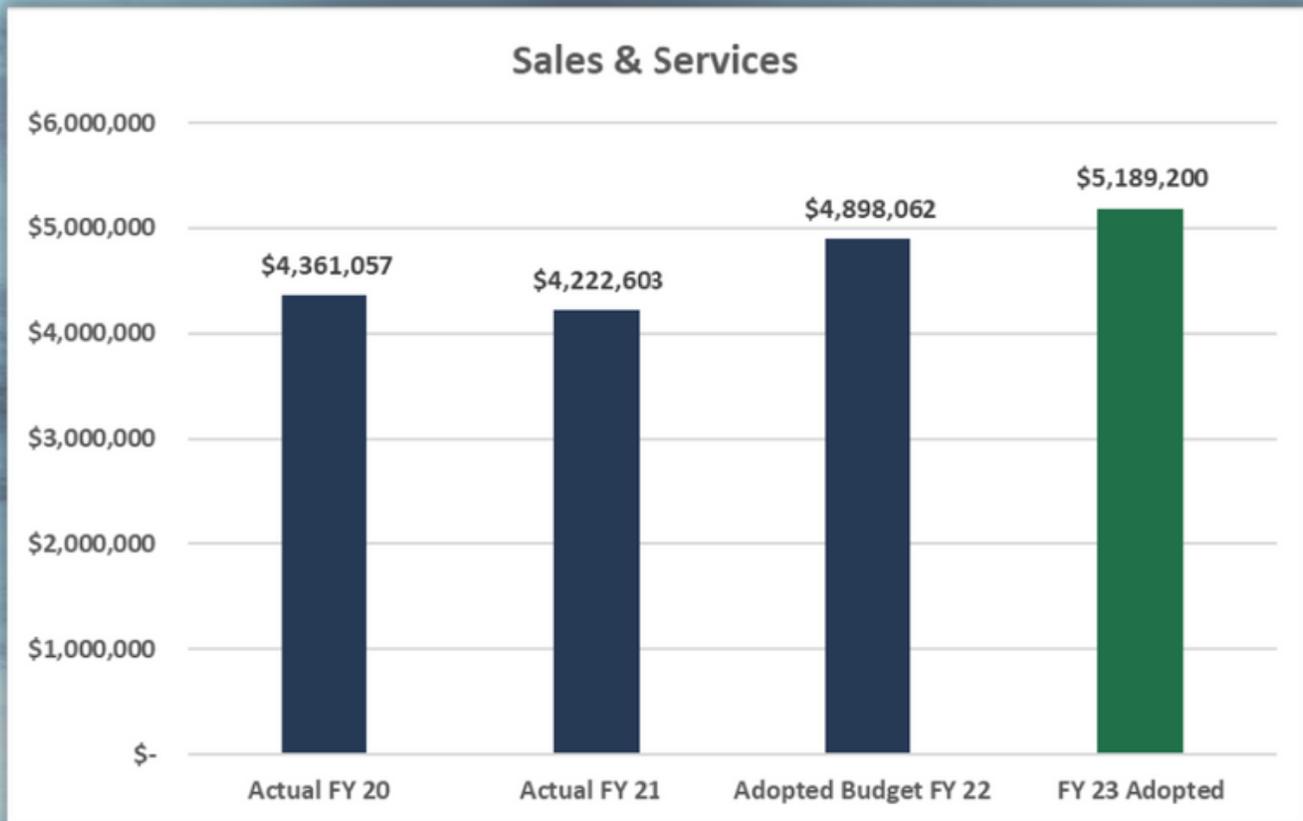

# RESTRICTED INTERGOVERNMENTAL

Restricted intergovernmental revenues are revenues that Haywood County receives but are restricted for a specific purpose. Major drivers contributing to this revenue stream are from State reimbursements for HHSA and payments from the Town of Clyde to the County for the services provided by the Sheriff's Office. In FY 23, this category increased \$921,418 or 6.99%.

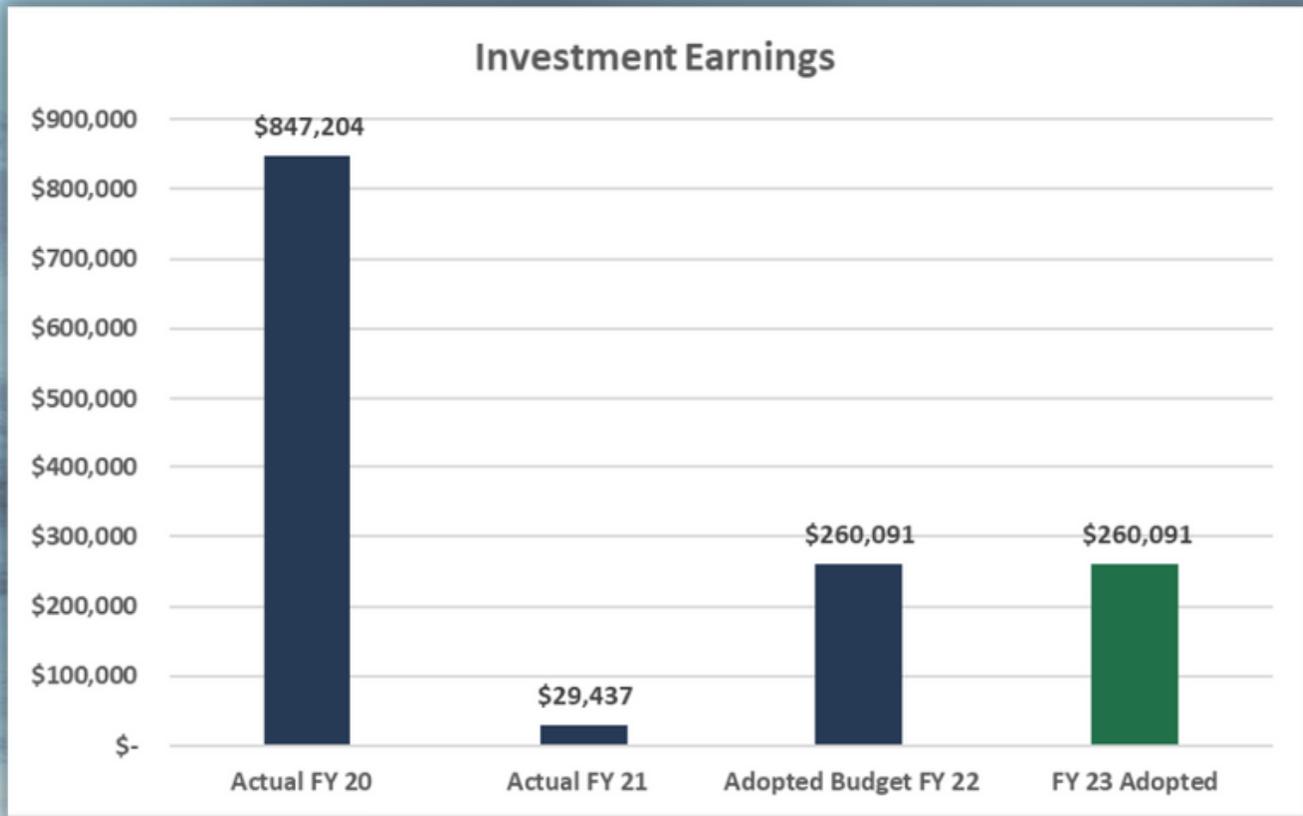

# SALES & SERVICES

Revenue derived from sales and services total 5.35% of the General Fund revenue. This category captures most of the collections received from providing services, with the majority of revenue coming from ambulance service charges. A few other income streams from sales and services include library and recreation program fees, vaccinations, well and septic inspection fees, and the sale of maps through the GIS department. Overall, Sales and Services are expected to increase by \$291,138 in FY 23.

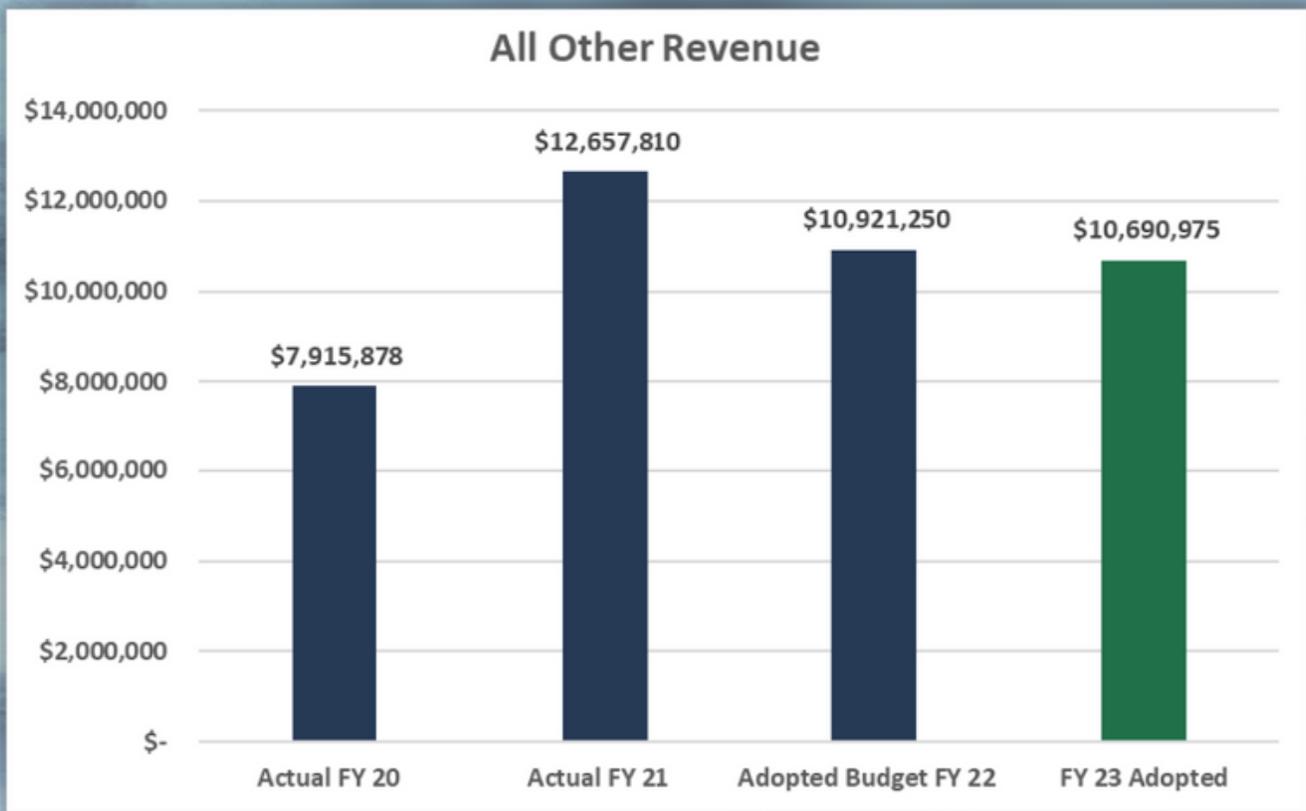

# INVESTMENT EARNINGS

Investment earnings are basically interest earned on the County's deposit and investment of idle funds. Interest rates have remained very low over the past few years, but with uncertainty surrounding the Fed raising rates, this budget projects Investment Earnings to stay the same in the FY 23 budget compared to FY 22.

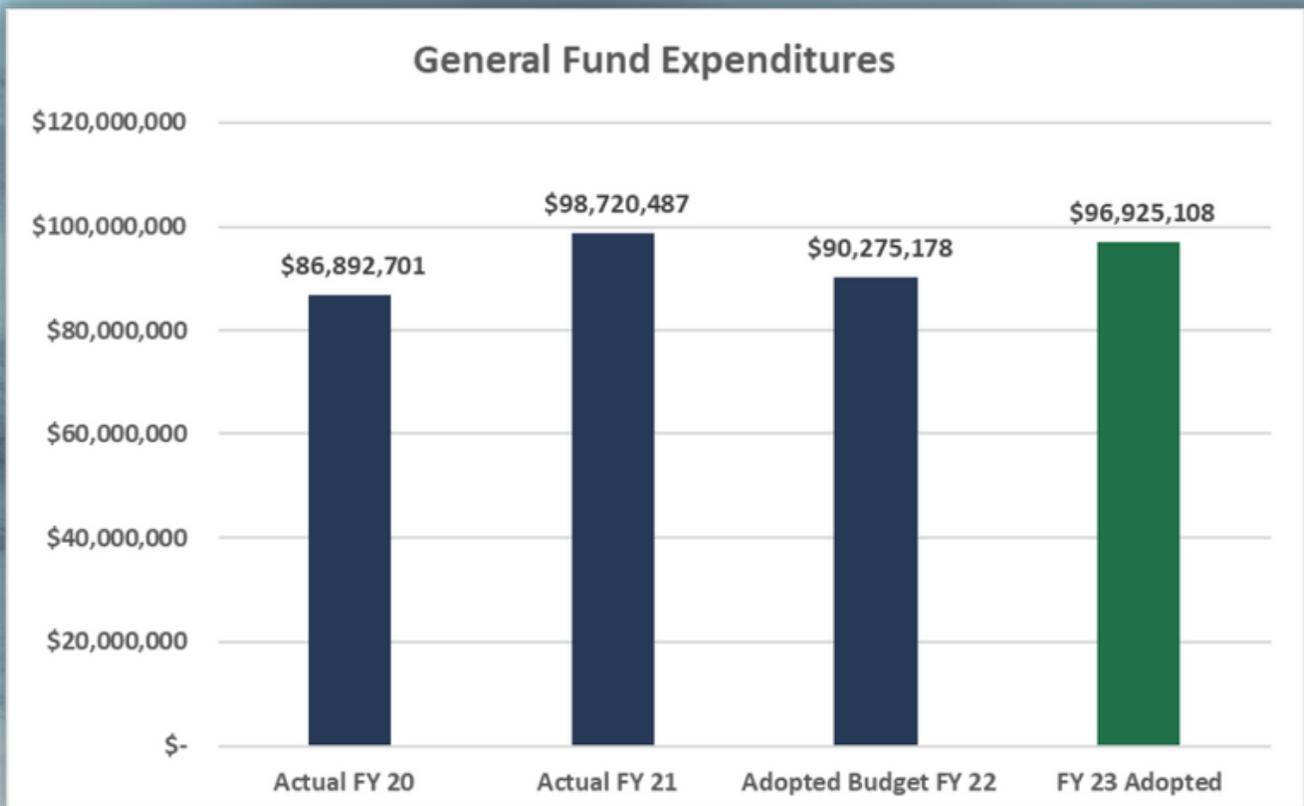

# ALL OTHER REVENUE

For presentation purposes, all of the other general fund revenue has been combined into an All Other Revenue category. This category includes revenue generated from occupancy tax, beer and wine tax, PILT funds, land transfer taxes, concealed weapon permits, fund balance, etc. This revenue category is projected to have a decrease of \$230,275 or -2.11%. This is tied to the reduction in fund balance from \$5.9 million to \$5.3 million. Excluding fund balance, all other revenues in this category are increasing by \$327,312.

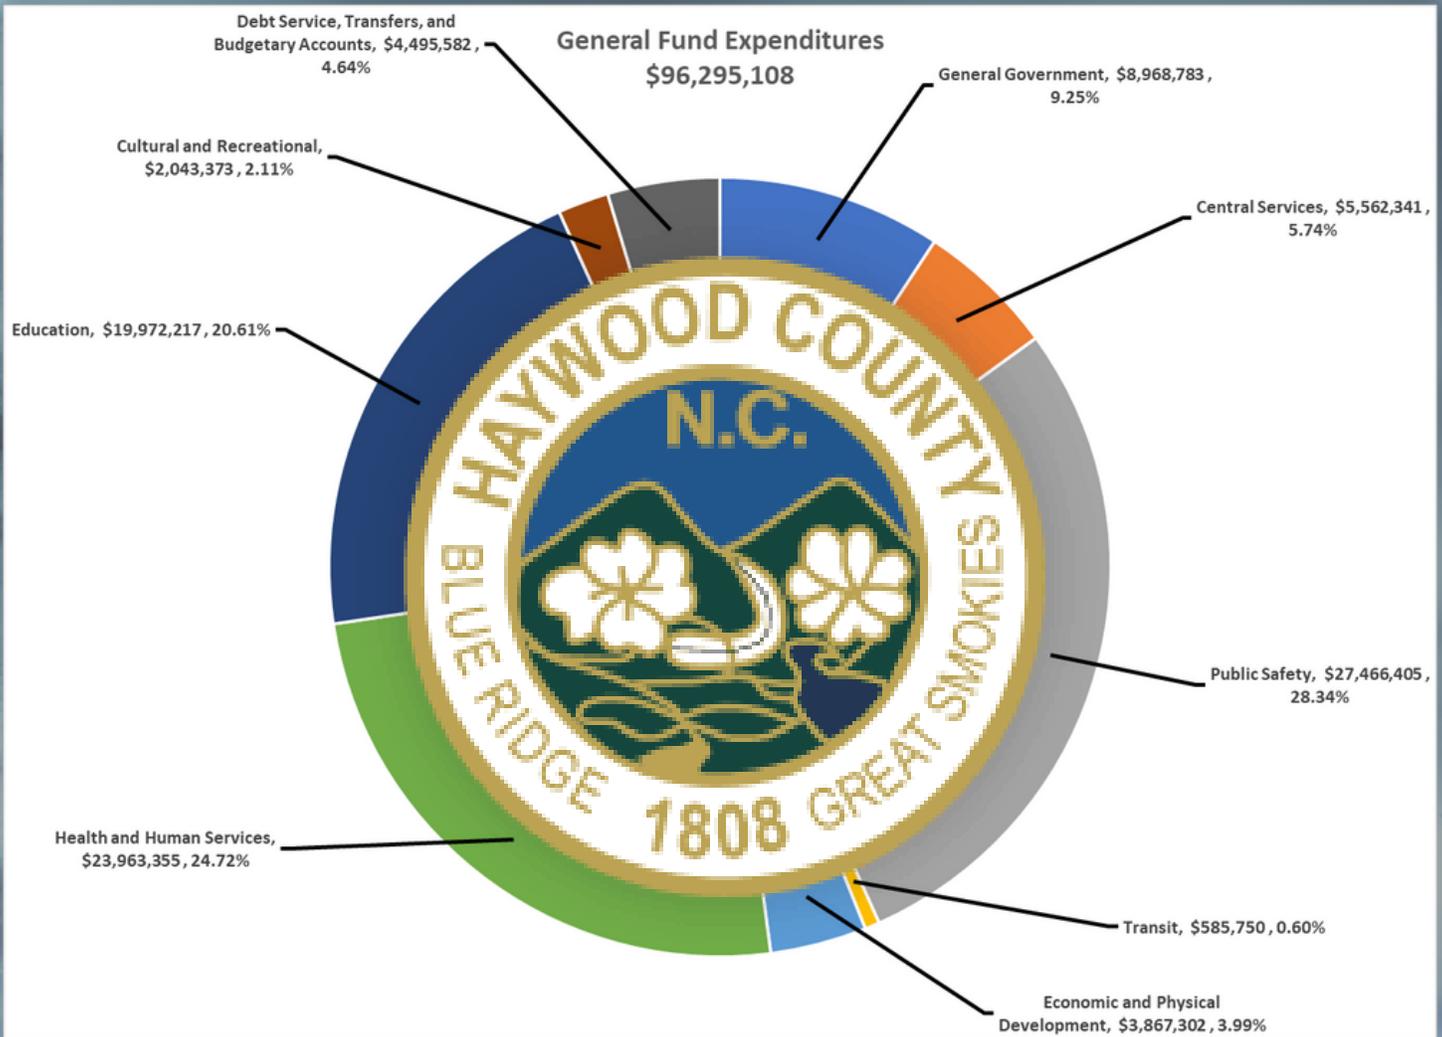

# EXPENDITURES

General Fund Expenditures for the FY 23 Manager's Recommended Budget are proposed to increase to \$96,925,108. Expenditures in this budget have risen 7.37% which totals to \$6,649,930 more than FY 22. The primary drivers in this budget are personnel and operating costs tied to Public Safety and Health and Human Services.

# EXPENDITURES

The graph below shows the Functional Divisions that are driving the expenditures in this budget. Public Safety and Health and Human Services account for over 50% of General Fund expenditures. Public Safety's portion of the budget is \$4,309,044 higher than last fiscal year. Health and Human Services is \$2,164,692 higher than last fiscal year. These two functions total \$6,473,736, or 97.35% of the change from FY 22.

# EXPENDITURES

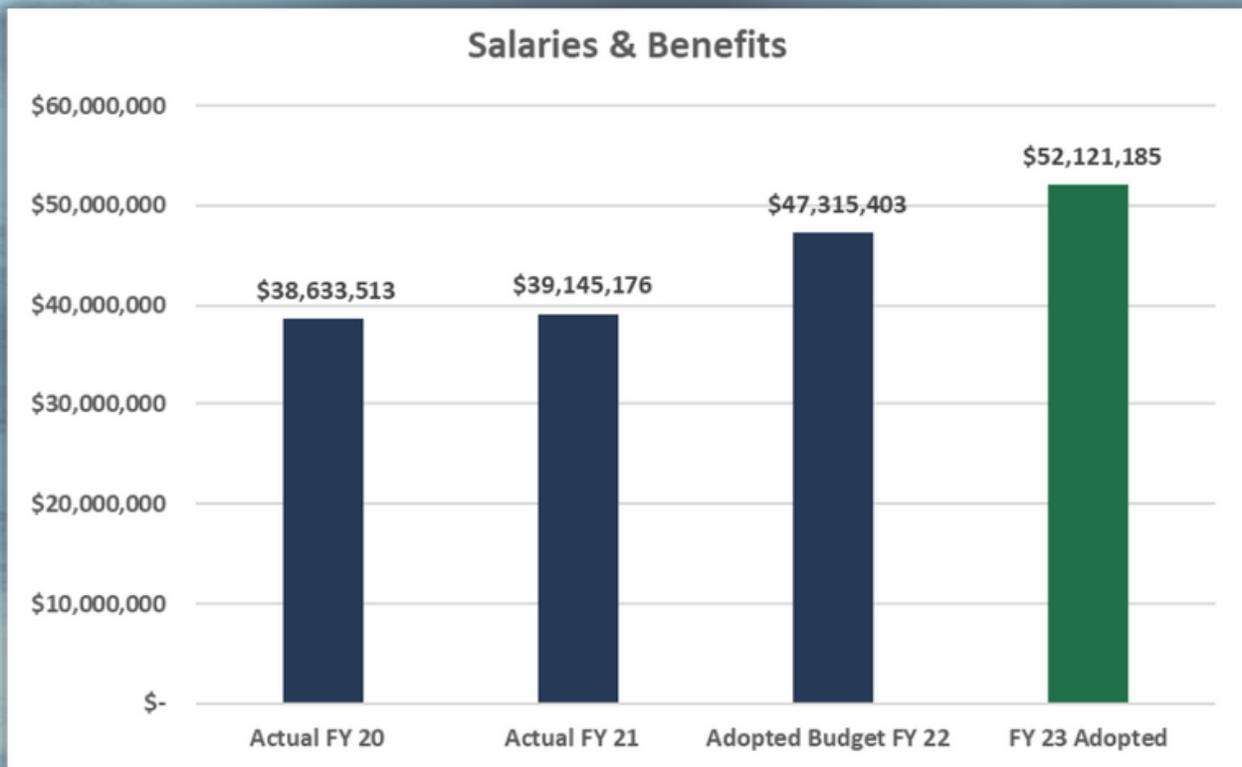

These increases are associated with the distributed cost of the Compensation Study. In FY 22, the funds needed to implement the Compensation Study were budgeted in a central, nondepartmental account and in the FY 23 Budget, the cost is accounted for within the department budgets. The \$1,401,918 reduction in Debt Service, Transfers and Budgetary Accounts reflects this change.

Function	Actual FY 20	Actual FY 21	Adopted Budget FY 22	FY 23 Adopted	FY 23 Adopted Over/(Under) Adopted FY22	% Change
General Government	\$ 7,697,799	\$ 7,366,108	\$ 8,255,752	\$ 8,968,783	\$ 713,031	8.64%
Central Services	\$ 4,605,972	\$ 4,811,522	\$ 5,512,323	\$ 5,562,341	\$ 50,018	0.91%
Public Safety	\$ 20,067,713	\$ 21,127,601	\$ 23,157,361	\$ 27,466,405	\$ 4,309,044	18.61%
Transit	\$ 408,395	\$ 194,774	\$ 585,750	\$ 585,750	\$ -	0.00%
Economic and Physical Development	\$ 3,190,384	\$ 4,008,160	\$ 3,557,330	\$ 3,867,302	\$ 309,972	8.71%
Health and Human Services	\$ 18,401,462	\$ 29,353,224	\$ 21,798,663	\$ 23,963,355	\$ 2,164,692	9.93%
Education	\$ 20,704,349	\$ 21,071,300	\$ 19,674,879	\$ 19,972,217	\$ 297,338	1.51%
Cultural and Recreational	\$ 1,578,145	\$ 1,474,139	\$ 1,835,620	\$ 2,043,373	\$ 207,753	11.32%
Debt Service, Transfers, and Budgetary Accounts	\$ 10,238,482	\$ 9,313,659	\$ 5,897,500	\$ 4,495,582	\$ (1,401,918)	-23.77%
<b>Grand Total</b>	<b>\$ 86,892,701</b>	<b>\$ 98,720,487</b>	<b>\$ 90,275,178</b>	<b>\$ 96,925,108</b>	<b>\$ 6,649,930</b>	<b>7.37%</b>

The functional divisions of the budget are important to display because they help display where the expenditures are distributed. However, by categorizing the expenditures within the budget by Salaries & Benefits, Operating, Capital instead of functional lines, we are able to see where the expenditures have been changed.

# COUNTY SALARIES & BENEFITS

Salaries and Benefits for this year are proposed to increase by \$4,805,782. This year's budget incorporates the cost the cost of the compensation study for the entire fiscal year, a 3% COLA and 2% Merit, and the Christmas bonus. The County wants to continue attracting and retaining the highest caliber employees in a very competitive job market. The 5% combined COLA and Merit is intended to keep salaries competitive with surrounding counties, offset the cost of inflation, and provide a mechanism for high-quality employees to be rewarded.

# COUNTY SALARIES & BENEFITS

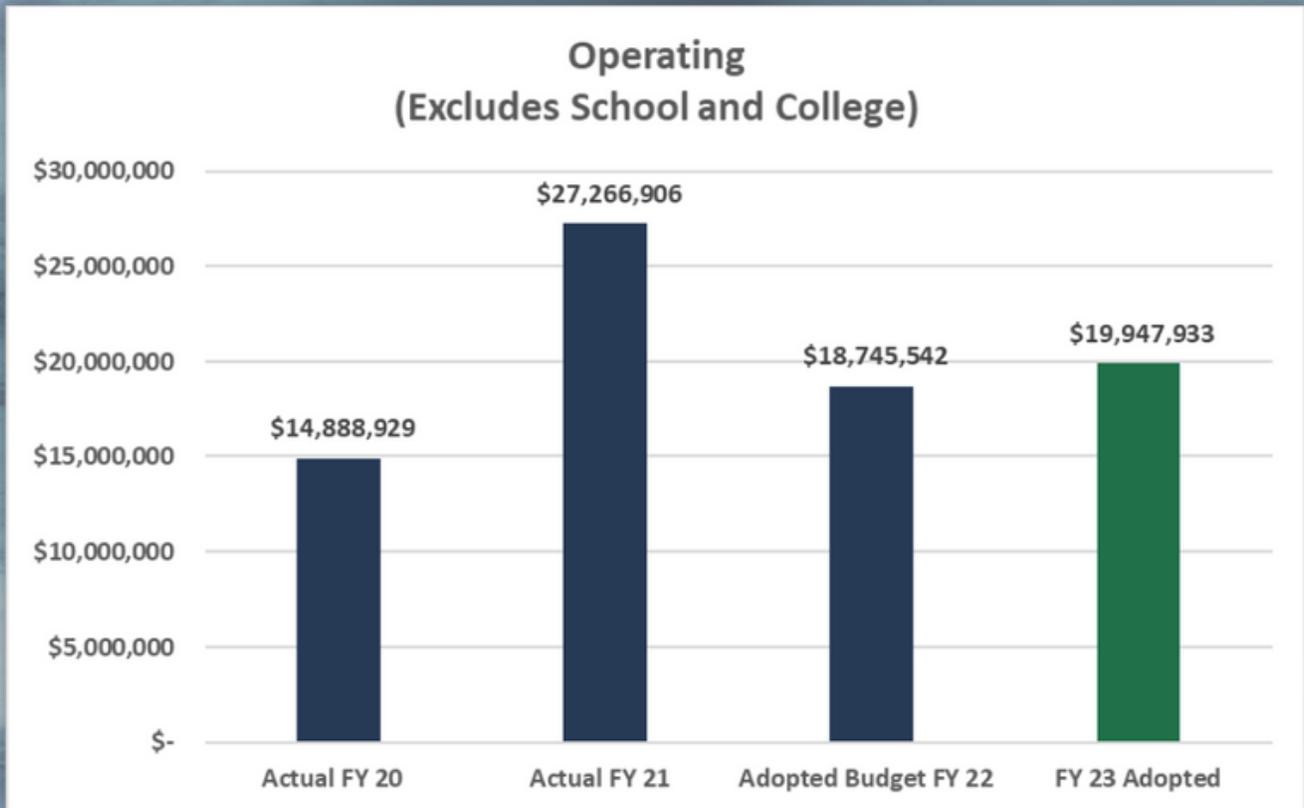

We changed our insurance provider to Aetna in January 2020 and overall the transition continues to be smooth, and most employees and retirees are very happy with the change. We will have to raise the County's portion of health insurance again this year. The increase will from \$17,500 per person to \$18,500 in order to keep up with the cost of healthcare industry-wide.

Department	Positons Requested	Positions Approved
Employee Wellness	1	0
Tax Assessor	3	0
Facilities	1	0
Sheriff's Office	4	0
Detention Center	1	0
EMS	4	0
Emergency Management	2	0
Agricultural Extension	1	0
Soil and Water	1	0
Health Department	3	0
Social Services	3	0
Library	1	0
<b>Total:</b>	<b>25</b>	<b>0</b>

The proposed budget includes zero new positions of the 25 requested by departments. Each of these positions has merit, but the cost of the Compensation Study and health insurance made adding new positions impractical. These positions may be reevaluated next fiscal year if need dictates.

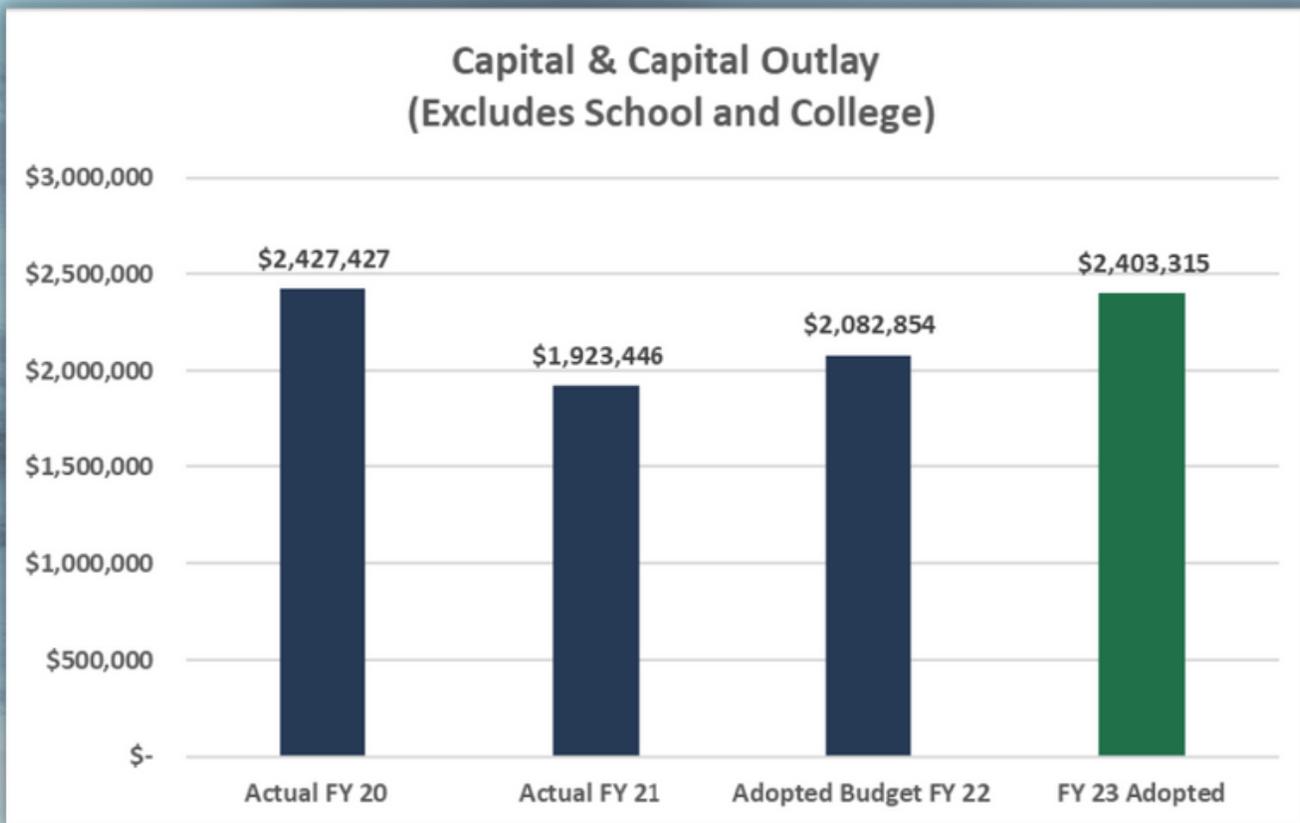

# COUNTY OPERATING

When controlling for Education funding, County Operating is increasing by \$1,202,391 or 6.41%. Most of the increases in operating can be tied to inflation. The cost of fuel, medical supplies, vehicle parts, etc. are exponentially higher than they were in previous fiscal years. To be mindful of the added cost of inflation and offset some of the increased costs of supplies, this budget streamlines operating expenses to only what is necessary, including only replacing equipment that has reached end-of-useful-life.

# COUNTY CAPITAL

County capital outlay is budgeted at \$2,403,315. This represents an increase of \$320,461 or 15.39% from FY 22. The primary driver of this type of expenditure is vehicles. The Board took action in FY 22 to meet many of the other capital needs originally requested by the departments in this budget.

# COUNTY VEHICLES

The county implemented a more proactive fleet management system during FY 21. This system has been essential in minimizing the impact of vehicle supply shortages. By maximizing the vehicle's useful life, offsetting costs by utilizing departmental transfers and reimbursements from the State, and thoughtfully planning new vehicle purchases, the county has been able to use vehicles longer and saved money in the long run.

Department	Hold Over Vehicles	New Vehicles
Sheriff	0	10
EMS	0	4
Animal Services	1	1
HHSa	2	2
Solid Waste	0	1
Tax Assessor	0	1
Development Services	0	1
<b>Total</b>	<b>3</b>	<b>20</b>

During this process, all County vehicles were inspected and checked for mileage, and Fleet Services identified the need for 23 new vehicles, for a total expected cost of \$2,161,089. Three of the 23 are holdover vehicles from FY 22. Four of these vehicles are ambulances for EMS, and they are \$1,318,424 combined. The Sheriff's office also has 10 replacement vehicles budgeted in FY 23.

# EDUCATION

The County will continue funding operating expenditures for the Haywood County Schools and the Haywood Community College out of the General Fund. The revised Funding Formula increased the funds allocated per pupil for the Haywood County Schools again this fiscal year, but the drop in student population continued to limit the growth of school funding. The total operating allocation to the schools increased from \$16,567,674 to \$16,771,795, a total of \$204,121. Haywood Community College operating funds are recommended to increase \$93,217 to a total of \$3,200,422..

Haywood County Schools	
Operating	\$16,771,795.00
Capital	\$ 900,000.00
Debt	\$ 2,062,928.00
<b>Total</b>	<b>\$19,734,723.00</b>

Haywood Community College	
Operating	\$ 3,200,422.00
Capital	\$ 750,000.00
Debt	\$ 1,651,289.00
<b>Total</b>	<b>\$ 5,601,711.00</b>

The School System and College’s debt and capital funding come from local option Sales Tax. That revenue are allocated within their two respective Debt Service Funds. These Sales Tax funds will be used to pay debt and fund capital needs. The amounts used for debt and capital this year are displayed above. Sales Tax revenues not used this year will remain in the Debt Service Fund for future debt or capital needs.

# OTHER FUNDS SUMMARY

In addition to the General Fund, the County manages several additional funds. The County has two Internal Service Funds. One for the health plan totaling \$12,670,209. The other is a Worker's Compensation Fund totaling \$606,185. Our health plan continues to project significant cost increases over the previous fiscal year, so these increases are commensurate with our current trend estimates.

To separate sales tax funds for Haywood County Schools and Haywood Community College that have specific restrictions related to debt and capital, we have set up debt service funds. The County School System Debt Service Fund totals \$4,490,087 and the College Debt Service Fund totals \$3,340,152. This approach fully funds our debt obligations and capital allocations.

# OTHER FUNDS SUMMARY

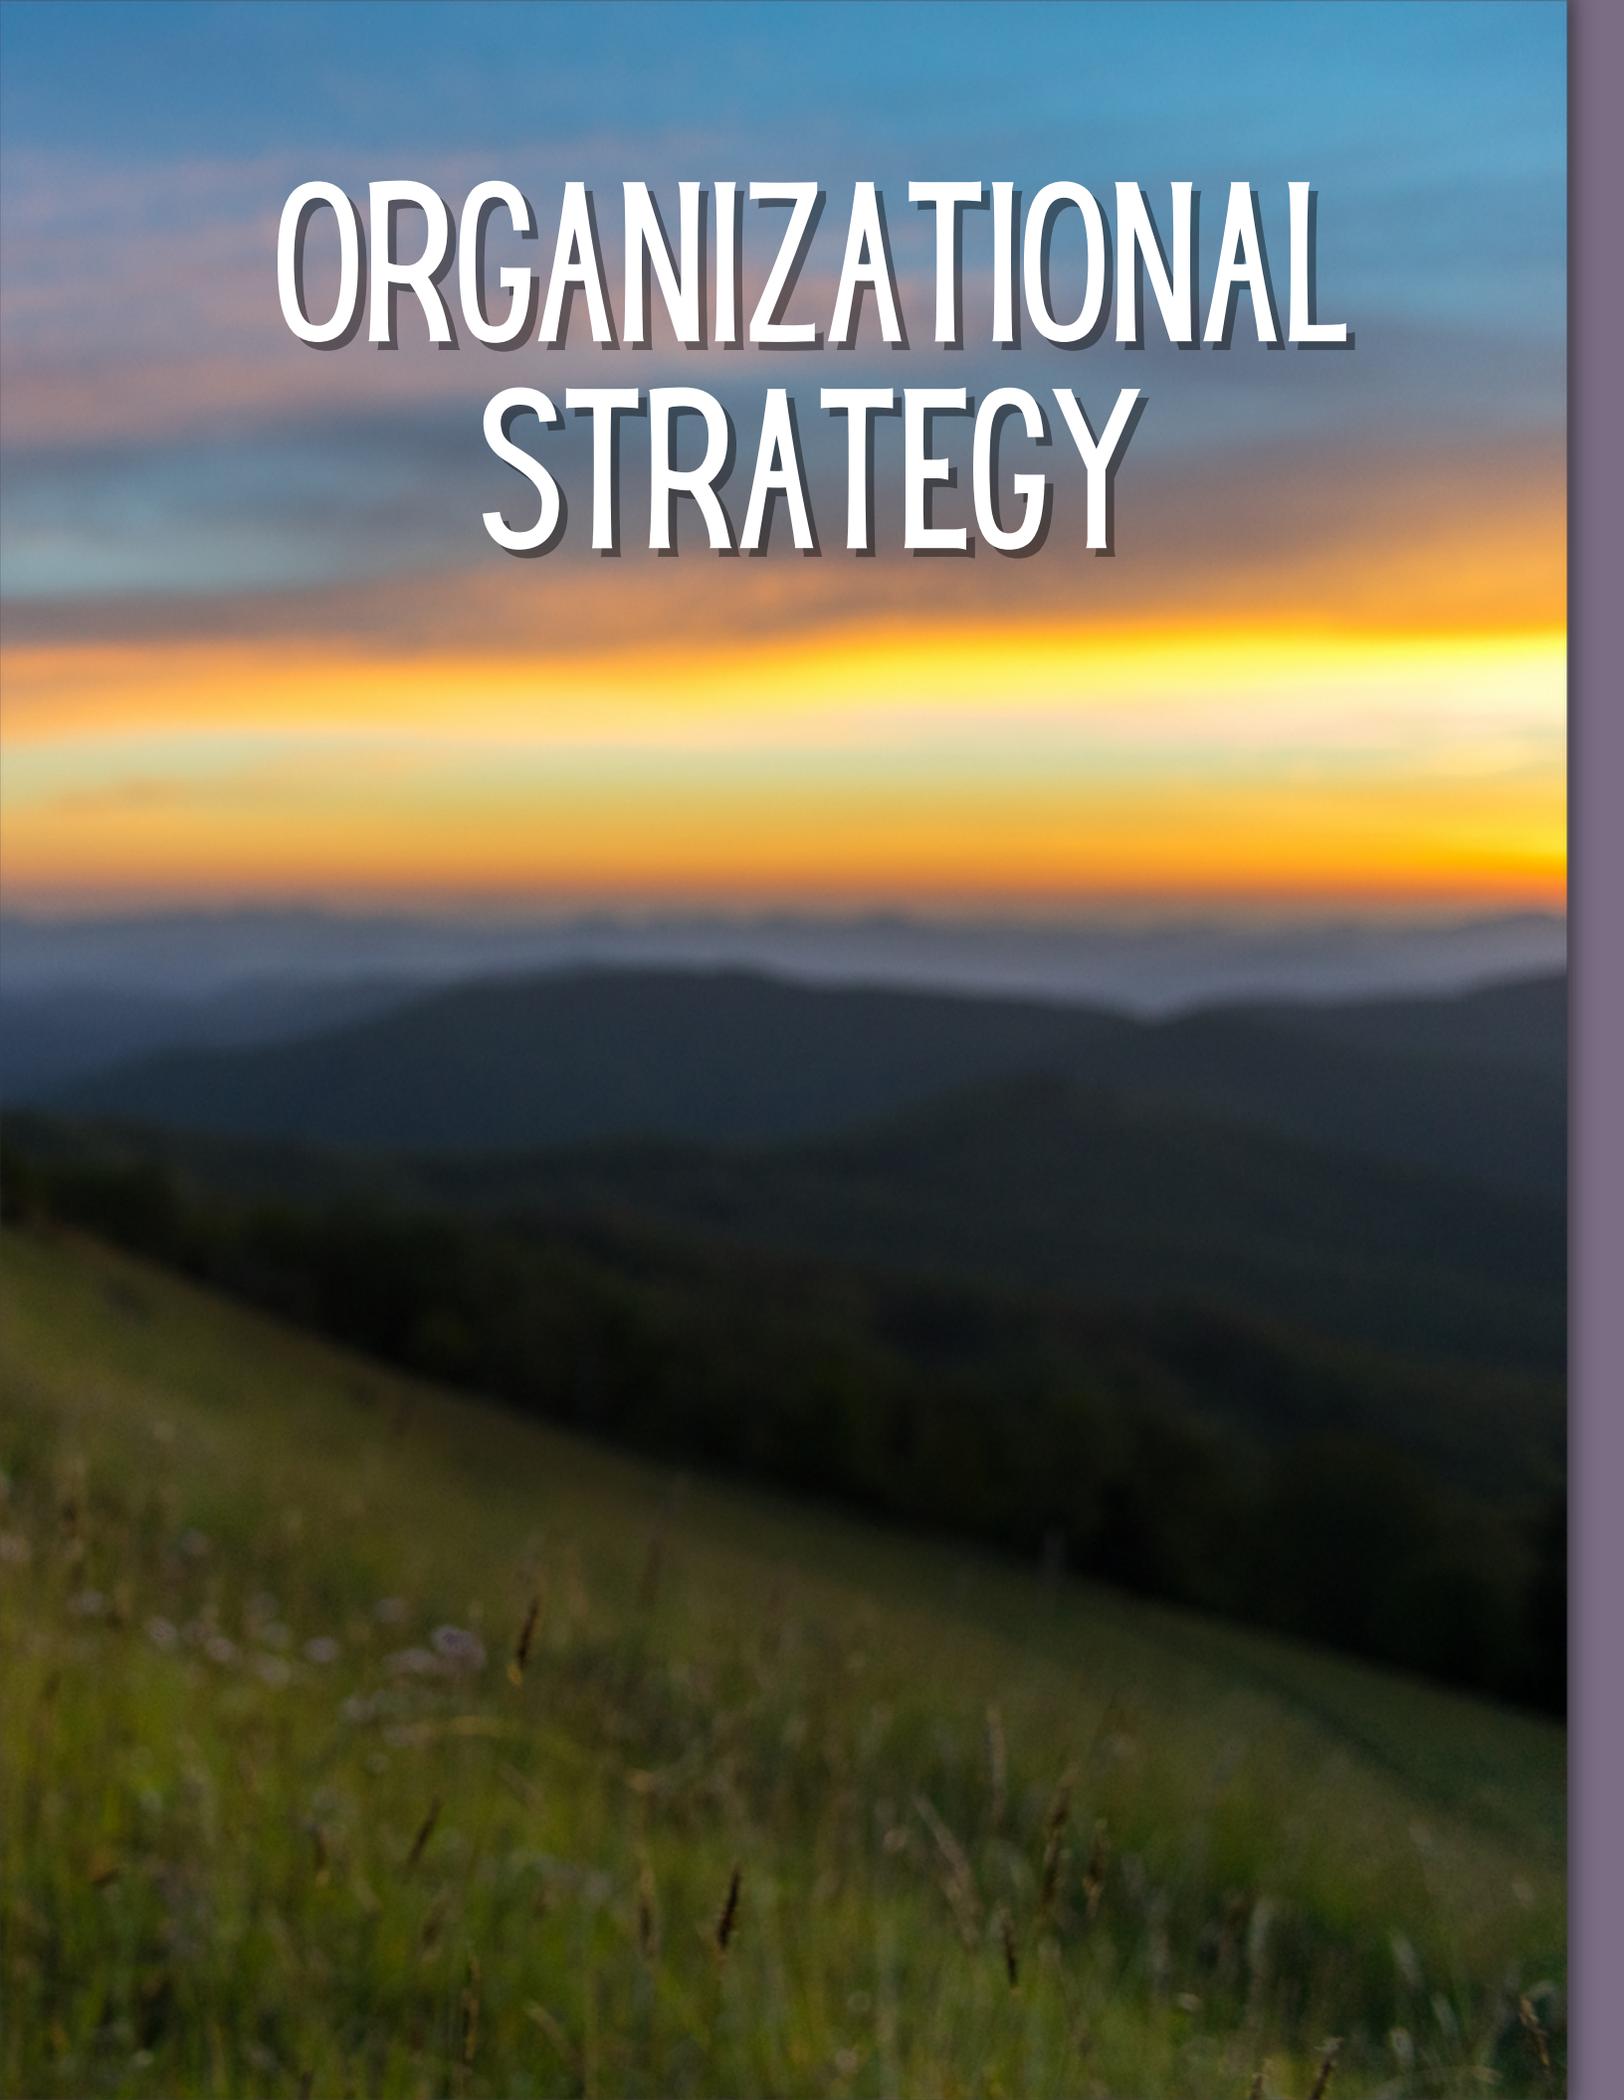

An Emergency 911 Fund is also budgeted, which totals \$416,775, a decrease of \$49,027 from FY 22. The largest fund outside of the General Fund is the Solid Waste Fund which totals \$5,765,785, a decrease of \$337,464 from FY 22.

The Road District Fund totals \$252,864, an increase of \$4,500 from the previous year. The Fire District Fund totals \$5,207,025, which is an increase of \$347,312. Lastly, the Junaluska Sanitary District totals \$317,402, a decrease of \$3,117.

Three new funds were created in FY 22 to comply with GASB 84. These are the Register of Deeds Recording Fees Fund, Fines and Forfeitures Fund, and Representative Payee Fund, totaling \$61,000, \$350,00, and \$910,000, respectively.

# ORGANIZATIONAL STRATEGY

The background of the slide is a scenic landscape. In the foreground, there is a lush green hillside with some small white flowers. The middle ground shows rolling hills and valleys, with the hills in the distance appearing hazy. The sky is a mix of blue, orange, and yellow, suggesting a sunset or sunrise. The overall mood is peaceful and expansive.

# VISION & MISSION STATEMENTS

**Vision Statement:** Haywood County is a thriving mountain community; one that stays true to it's roots, while also adapting to meet the needs of the future.

**Mission Statement:** Haywood County will provide the highest quality services to it's citizens, with the understanding that they make Haywood County the Pride of the Smoky Mountains.

# ORGANIZATIONAL OUTCOMES

To make the vision a reality, the county has identified essential outcomes to guide our staff in everything we do. These objectives are split into two types: Community and Governance. Community outcomes describe the vital features of a high-functioning community. Governance outcomes describe the vital features of a high-functioning organization. By staying true to these outcomes, we will be able to create the reality we want to see in Haywood County.

## Community Outcomes

## Governance Outcomes

# COMMUNITY OUTCOMES

Community outcomes give a concrete vision for the type of community Haywood County strives to create and protect. They are defined as the following:

- **Safe and Secure:** We believe protecting those who live, work, and visit Haywood County is of the utmost importance and we strive to provide top-flight public safety services to meet this challenge.
- **Economic Hub:** We believe every Haywood County citizen should have access to high-paying, sustainable jobs, with the community becoming an economic driver within the Western North Carolina region.
- **Healthy Living:** We believe everyone is entitled to resources that improve community health, both physically and intellectually, whether that be medical services, literary material, or outdoor recreation.
- **Sense of Place:** We believe Haywood County is a gem unearthed from the Great Smoky Mountains and we want to preserve the historical roots making this such a great place to live while simultaneously encouraging development that allows us to preserve our way of life.

## Safe and Secure

## Economic Hub

## Healthy Living

## Sense of Place

# GOVERNANCE OUTCOMES

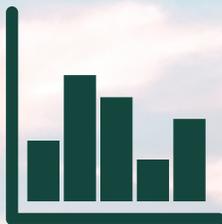

## Top Tier Workforce

## Partnerships

## Data Driven

## Accountability

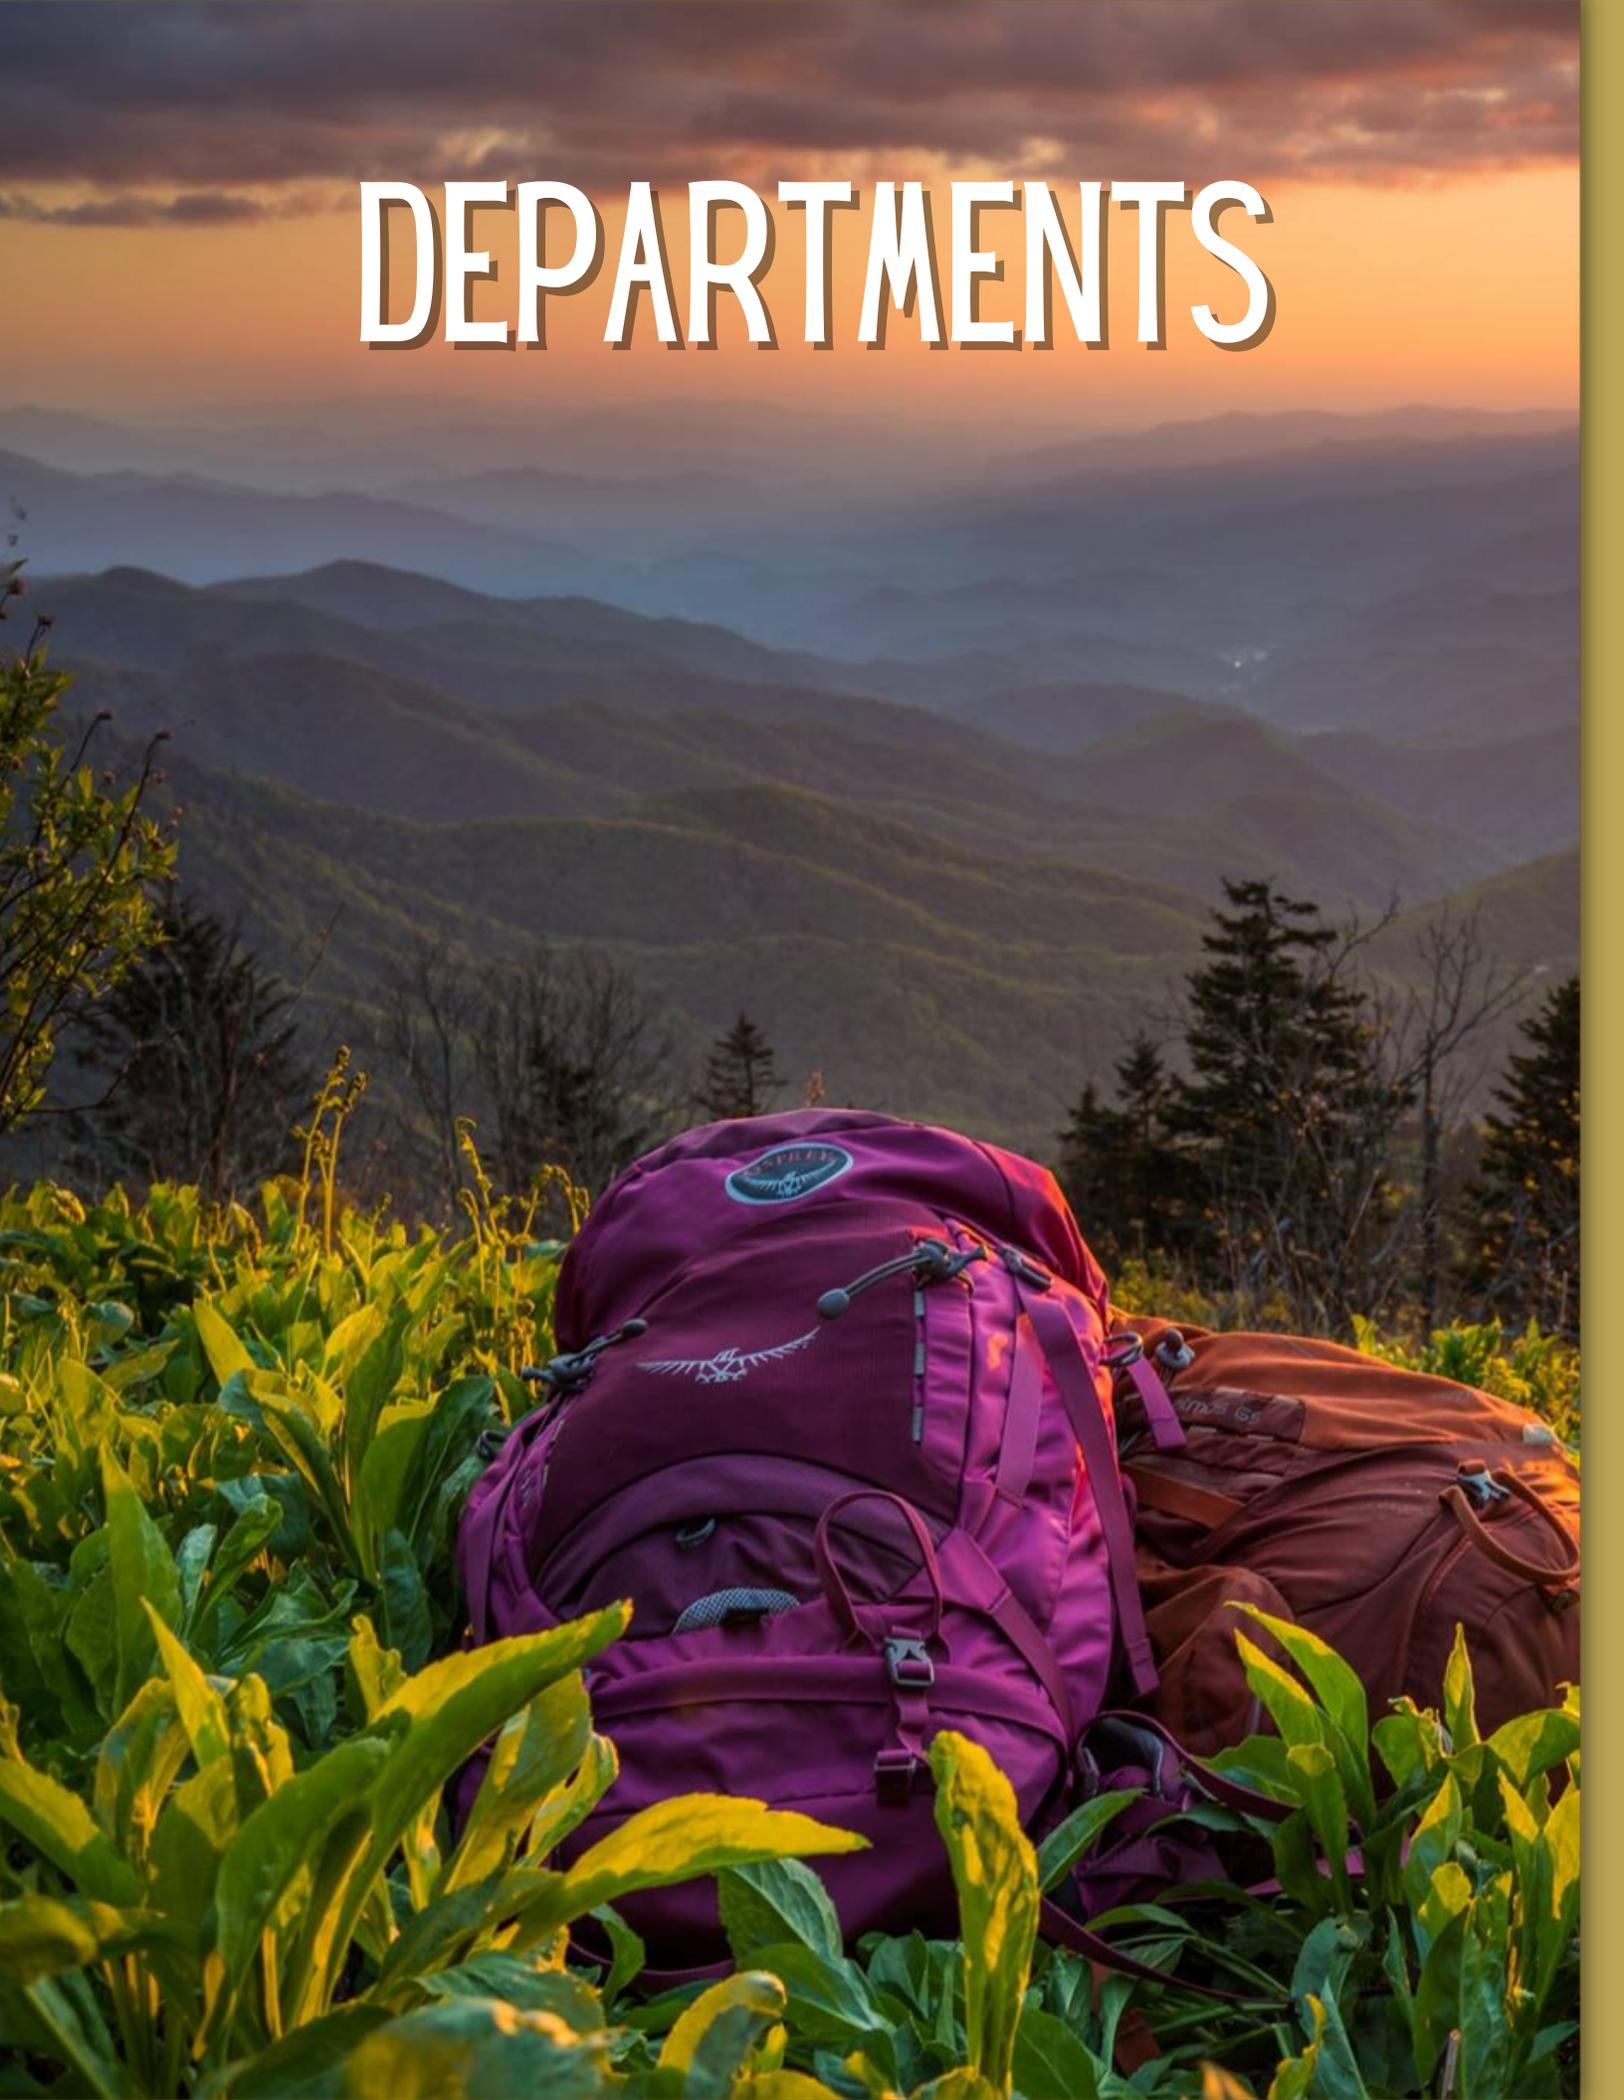

Governance outcomes drive the decision-making process internally at Haywood County. Best practices across the County have informed these outcomes. They are defined as the following:

- **Top Tier Workforce:** We believe Haywood County will attract the best possible candidates when hiring for positions, focusing on individuals who excel in customer service and understand what it means to live and work in a mountain community.
- **Partnerships:** We believe Haywood County isn't situated to provide every service needed by the public. To fill the gap, Haywood County works to partner with community organizations.
- **Data Driven:** We believe data driven decision-making is a feature of any high-functioning organization. Haywood County uses data to inform leaders, with the intent of making sure they have the most accurate information possible when making long-lasting decisions.
- **Accountability:** We believe transparency and accountability are a hallmark of a great government and Haywood County strives to be as transparent as possible.

# MEDICAL EXAMINER

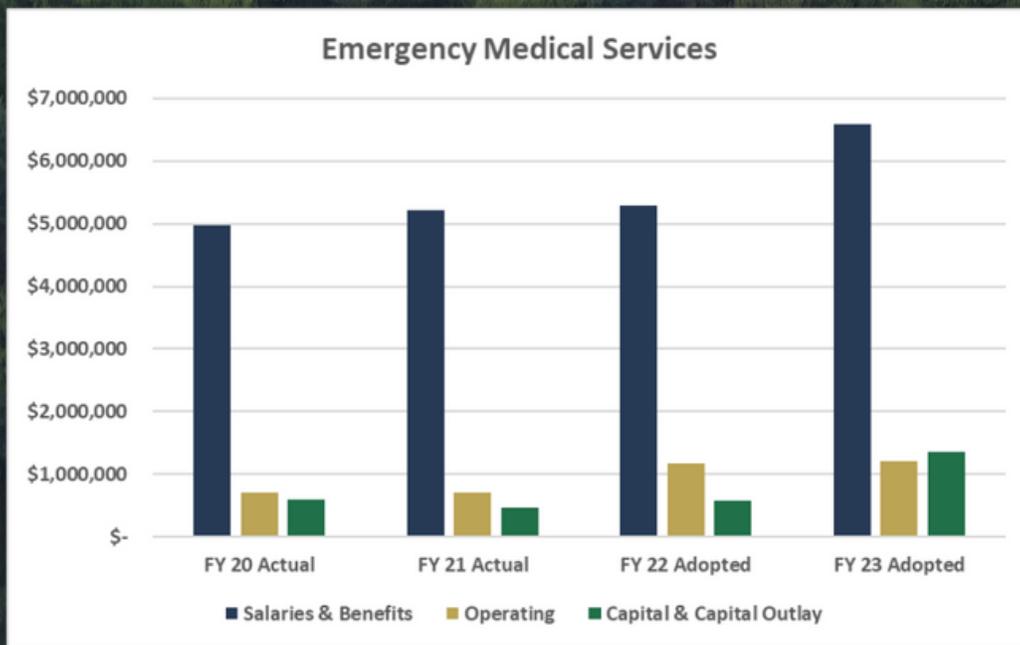

The Medical Examiner (ME) determines how, when, and by what means a person met his or her death. The ME is in charge of the investigation of criminal deaths or questionable deaths in the interest of the public. It is the primary duty of the ME to state whether a death resulted from a criminal act or fault on the part of another person. The ME can close a case if it is decided that the death was not the result of a criminal act.

# APPENDIX A: GLOSSARY

# GLOSSARY

**Adopted Budget**

The budget approved by the County Commissioners and enacted, on or before June 30 of each year.

**Ad Valorem Taxes**

Commonly referred to as property taxes, ad valorem taxes are levied on the value of real, certain personal, and public utility property according to the property's valuation and tax rate.

**Allocate**

To distribute (resources or duties) for a particular purpose.

**Annual Budget**

A budget that covers a single fiscal year

**Assessment**

The process for determining values of real estate and personal property for taxation purposes.

**Balanced Budget**

A budget in which the sum of estimated net revenues and appropriated fund balance is equal to appropriations.

**Budget**

An annual financial plan that identifies revenues, specifies the type and level of services to be provided, and establishes the amount of money which may be spent within a certain time period.

**Budget Document**

A formal document presented to the Board of Commissioners containing the county's financial plan for a fiscal year.

**Capital**

A budget allocating money for the acquisition or maintenance of fixed assets such as land, buildings, and equipment.

**Capital Outlay**

Expenditures for the acquisition cost of capital assets, such as equipment, or expenditures to make improvements to capital assets that materially increase their value or useful life.

# GLOSSARY

**Debt Service**

Payment of interest and principal on an obligation resulting from the issuance of bonds.

**EMS**

Emergency Medical Services.

**Expenditures**

The measurement focus of governmental fund accounting. Financial resources expended during a period for operations, capital outlay, and long-term principal retirement and interest on debt. Expenditures reflect the cost incurred to acquire goods or services

**Fiscal Year (FY)**

The year in which the budget is adopted starts on July 1st and ends on June 30th of the next year.

**Fund**

An annual compilation of the projected revenues and expenditures for a government fund.

**General Fund**

The general operating fund of the county used to account for all financial resources except those required to be accounted for in another fund

**Geographic Information System (GIS)**

A computer-based technology that captures, stores, analyzes and displays information about places on the earth's surface: what's on it; what's under it; what the land is worth; where the natural resources, people and utilities are located.

**Manager's Message**

A written overview of the proposed budget from the county manager to the Board of Commissioners which discusses the major budget items and the county's present and future financial condition.

**Mission Statement**

Fundamental purpose; a statement of what a department really wants to accomplish. The statement should refer to the impact on the County and its people.

# GLOSSARY

**Operating Expenditures**

The cost for personnel, materials and equipment required for a department to function.

**Project Fund**

This is a fund that includes on-going revenues and expenditures that “roll” from one year to the next, such as Tropical Storm Fred's recovery.

**Recommended Budget**

The budget presented to the County Commissioners with the endorsement of the County Budget Officer/County Manager.

**Revenue**

Income (excluding transfers and proceeds from the sale of bonds or notes) for the fiscal year. The major categories of revenue include local taxes, state shared revenues, fees and charges, interest on investments, federal revenue sharing, and fines and forfeitures.

**Special Revenue Funds**

Account for the proceeds of specific revenue sources (other than trusts for individuals, private organizations, or other governments, or for major capital projects) that are restricted or committed to expenditures for specified purposes.

**Strategic Plan**

This is a long-range plan that guides the direction of the County departments in how to conduct day-to-day business to reach longer term goals.

**Tax Rate**

The amount of tax levied for each \$100 of assessed valuations (53.5 cents per \$100).

**Transfers (In/Out)**

Amounts transferred from one fund to another to assist in financing the services for the recipient fund.

## History

### **200 Years of Haywood History**

Haywood County came into being 200 years ago this year. The county was officially separated from Buncombe County through a bill introduced by Gen. Thomas Love. The bill became law on December 23, 1808 and the new county of Haywood became official in March of 1809.

### **Separating from Buncombe County**

By the time Haywood County was separated from Buncombe, more than 300 families were living in the territory between Buncombe County and the Tennessee line. Many of these families came to the area because their ancestors were part of the march of Gen. Griffith Rutherford and his 2,400 troops against the Cherokee during the American Revolution. These soldiers were introduced to the beauty of the Appalachian Mountains, and many of them returned to settle the region after the war was over.

### **Receiving Land**

At the end of the Revolution, the boundary line of the Cherokee territory was along the Blue Ridge. In 1783, a treaty placed the boundary along the Pigeon River, opening that area to settlement. Meanwhile, Congress had agreed that soldiers and officers who had served to the end of the war would receive land. Those granted land began to arrive in 1785. In 1796, a land grant to David Allison for 250,240 acres included much of what is now Haywood County. Both Thomas Love and his brother Robert began amassing their own land fortunes in this region and west into Tennessee.

### **First Election of County Officials**

On March 27, 1809, at least 12 justices of the peace, many of whom had served when the area was still part of Buncombe County, gathered and conducted the first election of county officials. Robert Love was elected clerk of court and William Allen became Sheriff.

# Haywood County and its towns

Adopted Budget | FY 2023

## History

### County Seat

In the bill introduced by Thomas Love, a group of seven men had been named to choose a place near the center of the county to erect public buildings. However, it was the offer of 17 acres of property by Robert Love that eventually dictated where the county seat would be - the hill along which Waynesville's Main Street runs today.

The County was named in honor of the state treasurer, John Haywood, who ironically never lived in or visited the region.

### Other Surrounding Counties

In 1828 the western part of Haywood County became Macon County. In 1851 parts of Haywood County and Macon County were combined to form Jackson County

## Towns of Haywood

### Clyde

Canton is the second largest town in Haywood County with a population of 4,422 according to the 2020 Census. It was founded in 1889, after many name changes. It is known for its historic mill which has been around since the town's creation. It is named after Canton, Ohio after the steel bridge that crossed the Pigeon River.[1] It is also known for Camp Daniel Boone, one of the largest Boy Scout camps in the region.

### Lake Junaluska

Founded in 1913 by the United Methodists council, Lake Junaluska sits beside Waynesville. It is a known tourist destination for the Methodist Church as it was founded as a retreat for their conferences and named after a local Cherokee Chief. [1] It has a population of 3,219 people according to the 2020 census.

## Towns of Haywood

### Maggie Valley

Maggie Valley is named after the founder's Daughter, Maggie Setzer, who had a post office named after her. [1] The town was incorporated in 1904 and it is a tourist attraction for bikers, families, and all alike. It has a population of 1,687 people according to the 2020 Census. It was known for its tourist attraction "Ghost Town" which closed down but was a crowd drawer.

### Waynesville

Waynesville is the largest town of Haywood county with a population of 10,140 people according to the 2020 Census. The town was founded by a Revolutionary War soldier, Robert Love, who named it after his former commander, "Mad" Anthony Wayne. [1] It was founded in 1809 and is one of the most visited towns in the Asheville area.
