

Parents,

In order to visit the Mountain Research Station, visitors are required to sign a form stating they have not traveled outside the United States within the 72 hours prior to July 20th. This is to prevent the spread of foreign diseases to crops & livestock here in the U.S., which would have devastating effects.

If your child has been outside the country within the past 72 hours, please certify that his or her clothing has been laundered with soap and water and all debris scrubbed off shoes before also cleaning with soap and water.

Student Name _____ Date _____

Parent Name _____

My child has not been outside the United States during the past 72 hours.

My child has traveled outside the U.S. but returned on this date: _____
