MANAGER'S MESSAGE

Honorable Chairman Ensley & Members of the Board of County Commissioners,

In accordance with the General Statutes of North Carolina, I am pleased to submit for your consideration the Manager Recommended Fiscal Year 2024-2025 Budget. The budget is balanced and prepared under the guidelines of the North Carolina Local Government Budget & Fiscal Control Act. This budget reflects the priorities outlined by the Haywood County Board of Commissioners while preserving the strong fiscal condition of the county. The Recommended Budget is based on a tax rate of 55.0 cents per \$100 of property value, using a total valuation of \$10,262,474,858 and an estimated collection rate of 98.29%.

Haywood County benefits from a skilled and dedicated workforce who diligently craft the annual budget. Rigorous analysis of local, regional, and national trends and forecasts informs the budget preparation process extensively. The proposed budget for FY 25 incorporates the County's established financial protocols and policies, contributing to our impressive AA+ issuer bond rating. This rating underscores the County's steadfast financial management and underscores our commitment to maintaining financial resilience and stability through prudent fiscal practices enacted by both the Board of Commissioners and County personnel.

MANAGER'S MESSAGE

While meeting every budgetary request pose challenges, the allocations outlined in the proposed FY 25 budget represent a budget that will serve our citizens well. There were \$110,669,882 worth of requests by departments in this budget and they're all very reasonable. To make the budget balance, we had to thoughtfully craft the budget, selecting the items making the greatest impact. In sum, there was roughly \$4.6 million cut from the department requests.

Salary and Benefits

According to the US Census Bureau, since 2010 Haywood County's population has grown by more than 7.45% percent, rising from approximately 58,930 to nearly 62,089 residents. This growth has heightened demand for services, placing added complexity and workload on our employees. To acknowledge their dedication and remain competitive in attracting and retaining top talent, this budget proposes a 3% cost-of-living adjustment effective the first full pay period in July, along with up to a 2% merit increase on employees' anniversary dates. Additionally, \$50,000 is allocated to initiate a tuition assistance pilot program. It is hoped that this program will help in our recruitment and retention of the best employees working in local government.

Despite departments requesting 18 new positions for FY 25, none are included in this proposal. The estimated cost of funding these positions amounts to \$1,740,858. While each position holds merit, slower growth in property tax and minimal sales tax growth preclude sustainable funding. Nevertheless, the burgeoning workload necessitates future attention. In FY 25, we'll embark on a pay and classification study to be enacted in Fiscal Year 2026. Preliminary health insurance estimates indicate a rise from \$19,500 to \$20,000 per employee annually, a 2.5% increase. Consequently, the budget includes \$11,770,000, elevating the County's cost by \$606,250 with no added burden on employees.

Lastly, the North Carolina Local Government Retiree System (LGERS) mandates a .75% to 1.0% increase in employer-paid retirement benefits, totaling an estimated \$4,634,227 for FY 25.

MANAGER'S MESSAGE

Operating

As we carefully review the budget for the upcoming fiscal year, it is imperative to address the unavoidable reality of operating cost increases. Various factors, including inflation, and market fluctuations, contribute to the rising expenses associated with maintaining our operations and delivering essential services to the community.

In the proposed budget, we have diligently scrutinized each expenditure to identify areas where cost containment measures can be implemented without compromising the quality or efficiency of our services. Despite these efforts, it is important to acknowledge that certain operating costs are beyond our control and will inevitably rise.

Insurance and Bonding has risen almost \$50,000 or 7.26%, for a total of \$715,108. Maintenance Contracts have increased across the County, but it impacted three departments the most. Information Technology increased \$72,043, the 911 Communications Center increased \$45,019, and Social Services increased \$78,000. Information Technology also had to budget \$159,493 more for digital processing supplies, which is primarily driven by computer replacement across the County departments. Additionally, investments in technology upgrades, infrastructure maintenance, and personnel training may incur additional expenses to ensure our operations remain modern, efficient, and compliant with evolving standards.

While navigating these cost increases presents a significant challenge, our commitment to fiscal responsibility remains unwavering. We will continue to explore avenues for optimization, efficiency gains, and strategic resource allocation to mitigate the impact of rising operating costs on taxpayers and maintain the delivery of high-quality services to our community.

Capital

As part of our ongoing commitment to ensure the reliability and efficiency of county operations, this year's budget addresses the crucial needs of our capital assets and vehicle fleet. It is essential that we continue to invest in these areas to uphold the safety and efficiency standards required for effective public service.

MANAGER'S MESSAGE

In the upcoming fiscal year, we are prioritizing the replacement of aging vehicles that are beyond economical repair and pose potential risks in terms of maintenance costs and reliability.

A total of \$1,146,901 has been earmarked for the procurement of 16 new vehicles to replace those coming to their end of life. This will include replacement vehicles for the Sheriff's Office, EMS, Detention, Fleet Management, DSS, Environmental Health, Inspections, and Development Services. Without replacing these vehicles, we compromise our ability to serve the community effectively.

Additionally, the budget includes significant allocations for capital improvements. These funds are designated for the upgrading and maintenance of our buildings and infrastructure that are crucial to our community's daily operations. These investments not only ensure the safety and usability of these structures but also enhance the long-term economic and social viability of our county.

In addition to vehicle replacements and public infrastructure projects, this year's budget gives special attention to crucial capital improvements to our county facilities. Maintaining these facilities in good working order is not only a matter of efficiency but also of public trust and fiscal responsibility. There are two replacement HVACs included in the budget. One is for the Law Enforcement Center and the other is for the Historic Court House. These will cost \$205,000.

General maintenance is also a key focus of this budget, ensuring that all our facilities are kept in excellent condition. Regular upkeep reduces the need for more extensive repairs due to neglect and ensures that our facilities continue to serve the public effectively. This commitment to maintaining our infrastructure underscores our dedication to managing the county's assets in the best economic interest of our constituents.

Together, these planned capital improvements are designed to extend the life of our facilities, enhance service delivery, and promote fiscal efficiency. This approach not only ensures that our physical assets remain viable and functional but also that we continue to provide high-quality public services in the most economically prudent manner.

MANAGER'S MESSAGE

Debt

Debt from the County has continued to fall off the last few fiscal years. The County's current debt payment was roughly \$40,000 less than the previous fiscal year. In FY26, it will drop approximately 575,000. That said, the Jail Expansion Project will be offsetting the expected debt reduction. There is \$1,135,952 of fund balance allocated in the FY25 budget for the first interest payment on the Jail Expansion Project debt, and the combined principal and interest payment on that same debt will be \$2,335,250 in FY26.

Education

This budget maintains its commitment to investing in the next generation of our county. Working closely with Haywood County Schools, the Board of Commissioners adopted a new funding formula last year, resulting in a 3.25% increase in per-pupil funding. This budget includes funding for the school system based on that funding formula for a total of \$17,960,559, an increase of \$597,473 or 3.19%. This budget also includes \$1,250,000 in capital and \$1,766,357 for debt payments for Haywood County Schools.

Furthermore, this budget raises Haywood Community College's operating allocation by 3.5% or \$115,936 for a total of \$3,428,373. Included in this budget is \$750,000 for capital and \$1,575,803 for debt payments.

Revenue

In the upcoming fiscal year, we are taking a conservative approach to our revenue projections because of a tightening economy and local developments related to the closing of PACTIV- Evergreen Paper Mill. The papermill has been a cornerstone of our tax base, and its closure represents a potential substantial decrease in property tax collections. This change necessitates careful consideration of our fiscal strategy and may require adjustments to ensure the continuity of essential services without overburdening other taxpayers. Property Tax revenue is budgeted at \$56,524,447, a \$1,405,093 or 2.55% increase from FY24. The collection rate is 98.29% and is slightly under the 98.38% collection rate last fiscal year.

MANAGER'S MESSAGE

On a somewhat brighter note, we anticipate a slight increase in sales tax revenues. This uptick is expected as consumer spending has shown resilience despite the tightening economic conditions brought on by inflationary pressures. However, it's important to recognize that this increase in sales tax is relatively modest and will not fully offset the potential loss from the property tax base. There is a 3% increase in Sales Tax budgeted in FY25. That is equivalent to \$475,031 more in revenue than FY24. Haywood County Schools and Haywood Community College are also expected to receive a 3% increase in sales tax revenue. Haywood County Schools have \$5,105,995 budgeted in their Debt Service Fund for their sales tax. The College has 3,285,807.

Investment Earnings continue to perform well against expectations. With interest rates remaining high, we have budgeted \$2,760,091, an increase of \$1,750,000 from the previous fiscal year.

Conclusion

In conclusion, as we present this budget for the upcoming fiscal year, we are mindful of the unique challenges we face.

While our population has grown by almost 7.5% since 2010, it is widely accepted that our population growth will continue. Growth brings increased demand for our services, and increased pressure on our employees. The cost of providing services is already outpacing the natural growth of revenue, it is highly unlikely that this trend will change.

Despite these hurdles, this budget is crafted to uphold our commitment to fiscal responsibility while continuing to invest in the well-being and future of our community. Our intentional allocations towards maintaining and enhancing essential services, capital improvements, and necessary upgrades to our facilities and vehicle fleet demonstrate our ongoing dedication to serving our residents. Additionally, our focus on supporting and empowering our employees ensures that they are well-equipped to meet the needs of our community.

MANAGER'S MESSAGE

We understand the importance of adaptability in times of economic uncertainty and are prepared to make necessary adjustments to respond to evolving financial landscapes. This budget reflects a balanced approach, aiming to secure long-term sustainability and resilience while maintaining the quality of life that our residents expect and deserve.

I would like to schedule the public hearing on the FY 2025 budget on Monday, May 20, 2024, at 5:30 p.m. in the Haywood County Historic Courthouse at the Board of County Commissioners Regular Evening Meeting.

In addition, the Haywood County Board of County Commissioners will hold its regularly scheduled meeting on June 3, 2024, at 9:00 a.m. in the Haywood County Historic Courthouse. At this meeting, the Board may consider the adoption of the FY 2025 budget.

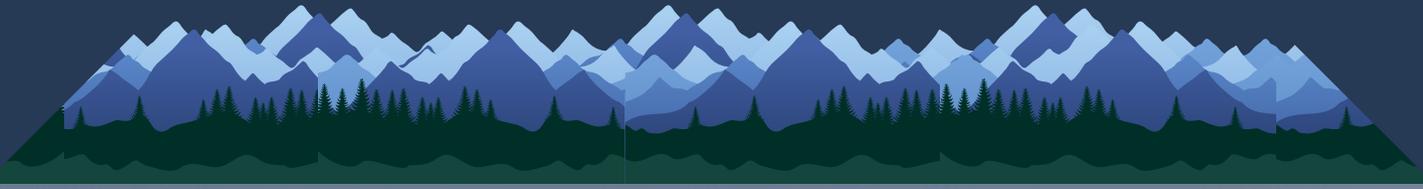

A copy of the proposed FY 2024-25 County Budget is available for public inspection in the Office of the Clerk to the Board located in the Haywood County Historic Courthouse, 215 North Main Street, Waynesville, NC, the Main Library located at 678 South Haywood Street, Waynesville, NC, and on the Haywood County website, at www.haywoodcountync.gov.

I would appreciate public comment on the Fiscal Year 2024-25 Haywood County Budget.

Respectfully submitted,

Bryant E. Morehead
County Manager

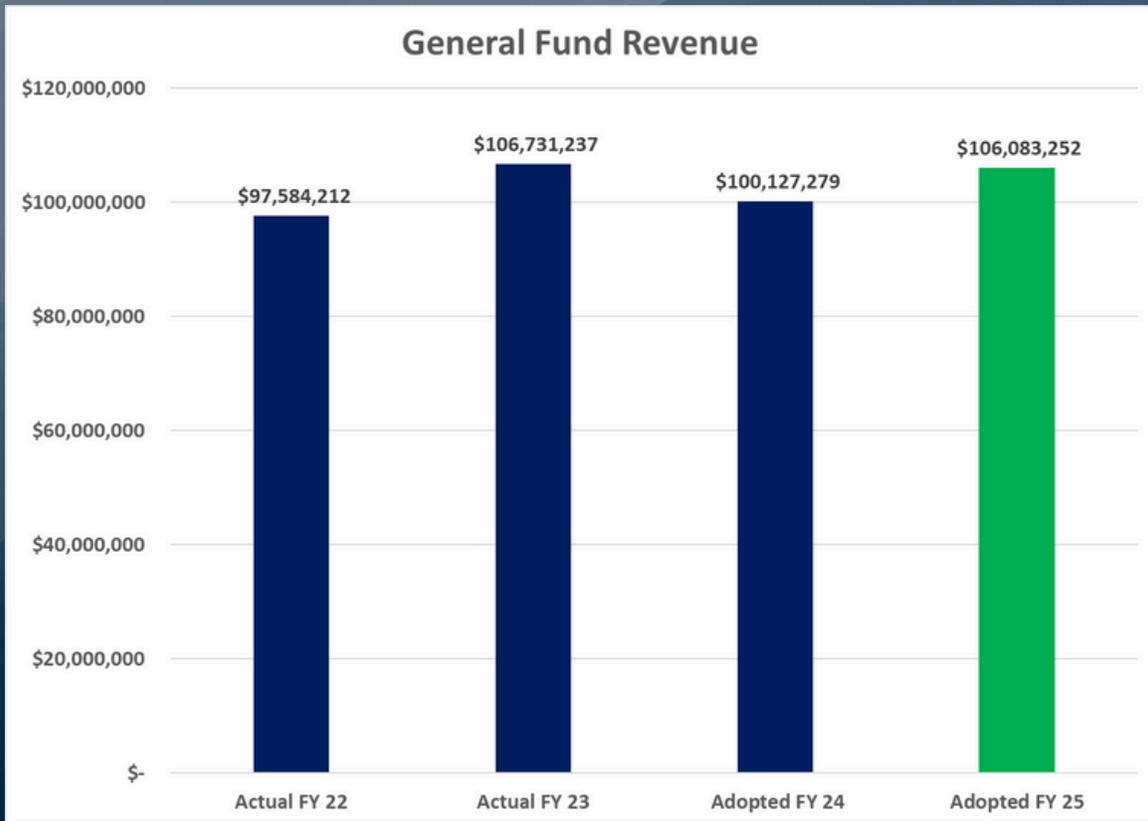

EXECUTIVE SUMMARY

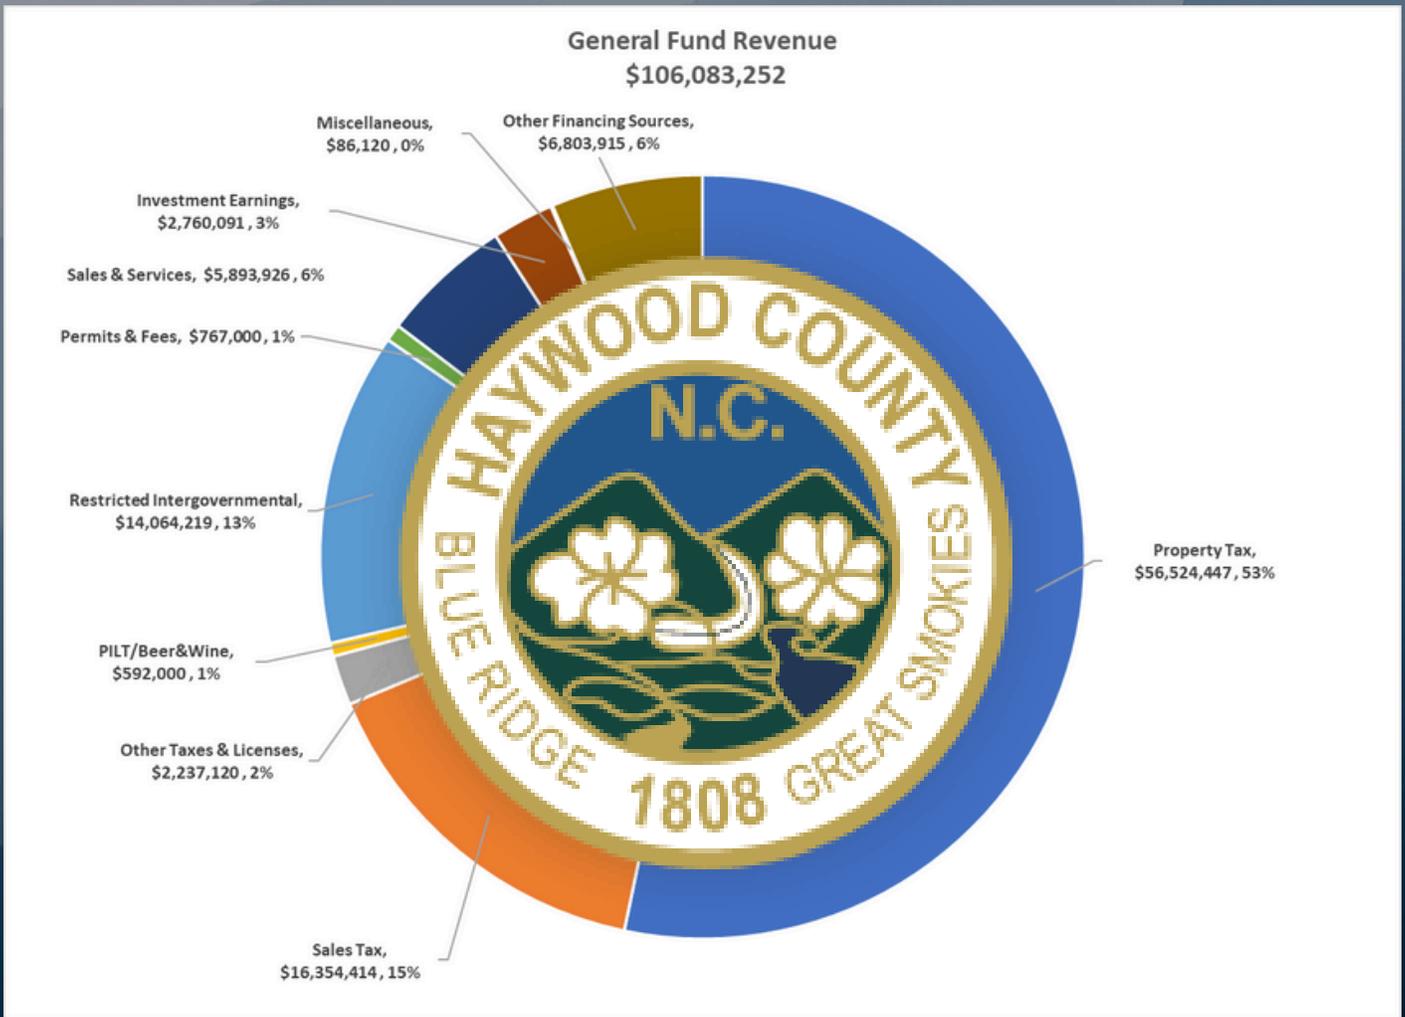

GENERAL FUND REVENUE

The Fiscal Year 2024-25 (FY 25) General Fund Revenues have grown from \$100,127,279 in Fiscal Year 2023-24 (FY 24) to a total of \$106,083,252 in FY 25. These revenue amounts include appropriated fund balance needed to balance revenues and expenditures. In FY 24, \$5,164,582 was appropriated from fund balance in the budget. In the FY 25 budget, the amount of fund balance allocated to balance the budget totaled \$6,801,415. The increase in Fund Balance used in this budget will be used to fund the first year of Debt for the Jail Expansion Project and two long-term IT equipment investments. Overall, the County is showing an increase of \$5,955,973 in revenues from FY 24 to FY 25. This budget maintains a tax rate of 55 cents.

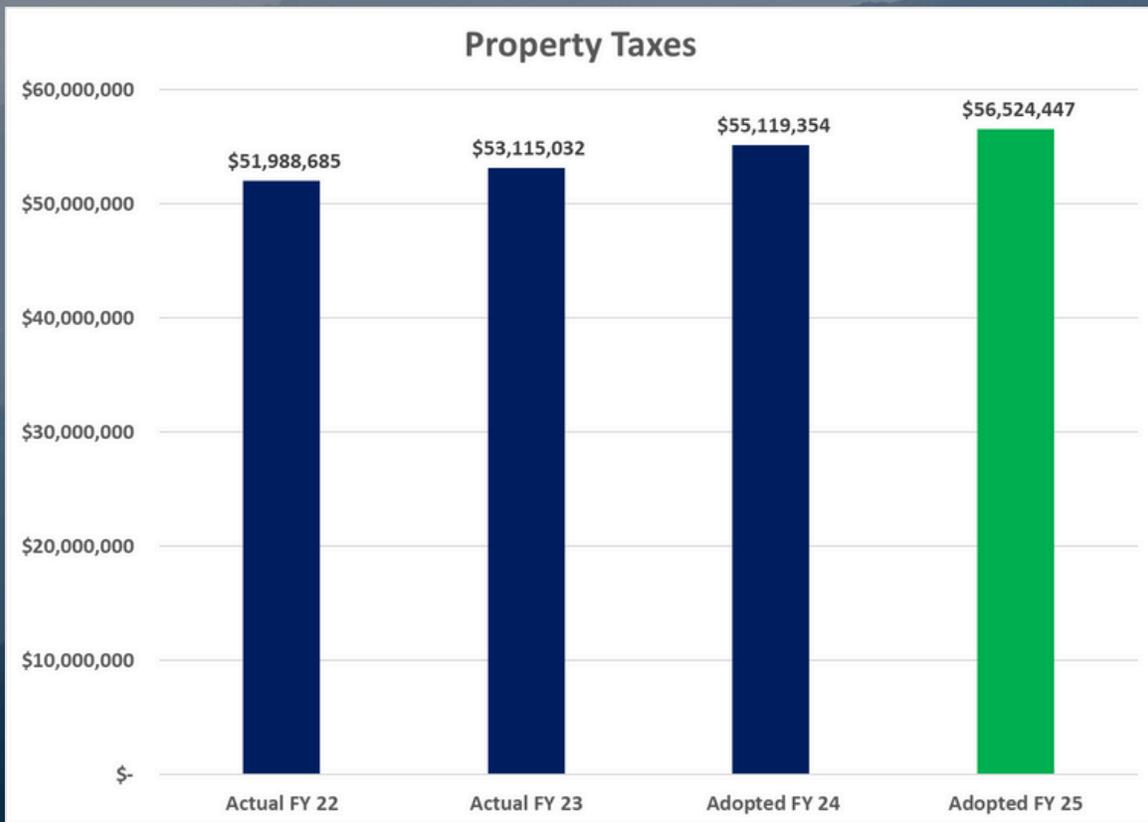

REVENUE BREAKDOWN

“General Fund Revenue” breaks down the major revenue drivers for the County. The three largest are Property Taxes, Restricted Governmental, and Sales Tax. In sum, they represent roughly 81.96% of the County’s revenue. Individually, Property Tax is the largest at 53.28%, Sales Tax is second at 15.42%, and Restricted Governmental is third at 13.26%. All other revenues amount to 18.04%.

PROPERTY TAXES

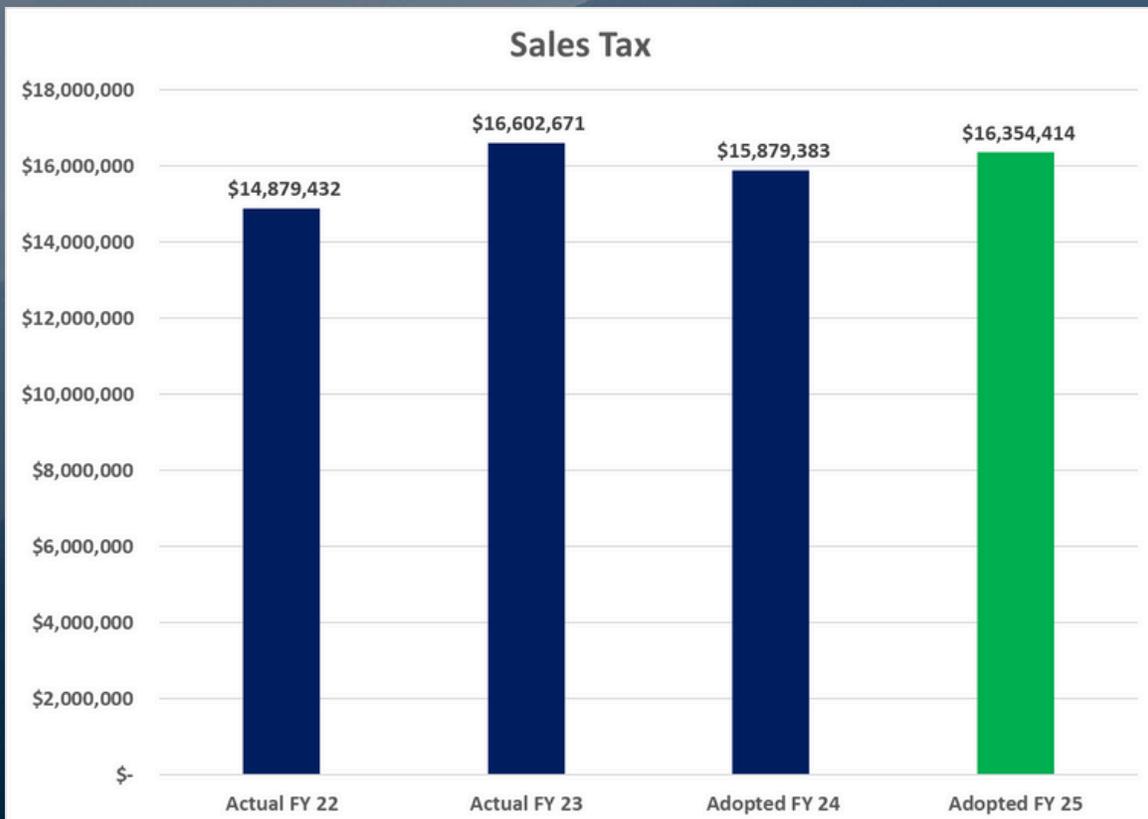

The majority of tax revenue received by the County is derived from real estate, personal property, motor vehicle and utility taxes. The Property Tax slice represents these different sources in the pie graph. The Adopted Budget includes an additional \$1,216,099 or an increase of 2.39% over FY 24. We have accounted for some natural growth in the tax base and this budget uses a collection rate of 98.29%. This collection rate is .09 of a percentage points lower than the FY 24 budgeted collection rate of 98.38%.

SALES TAX

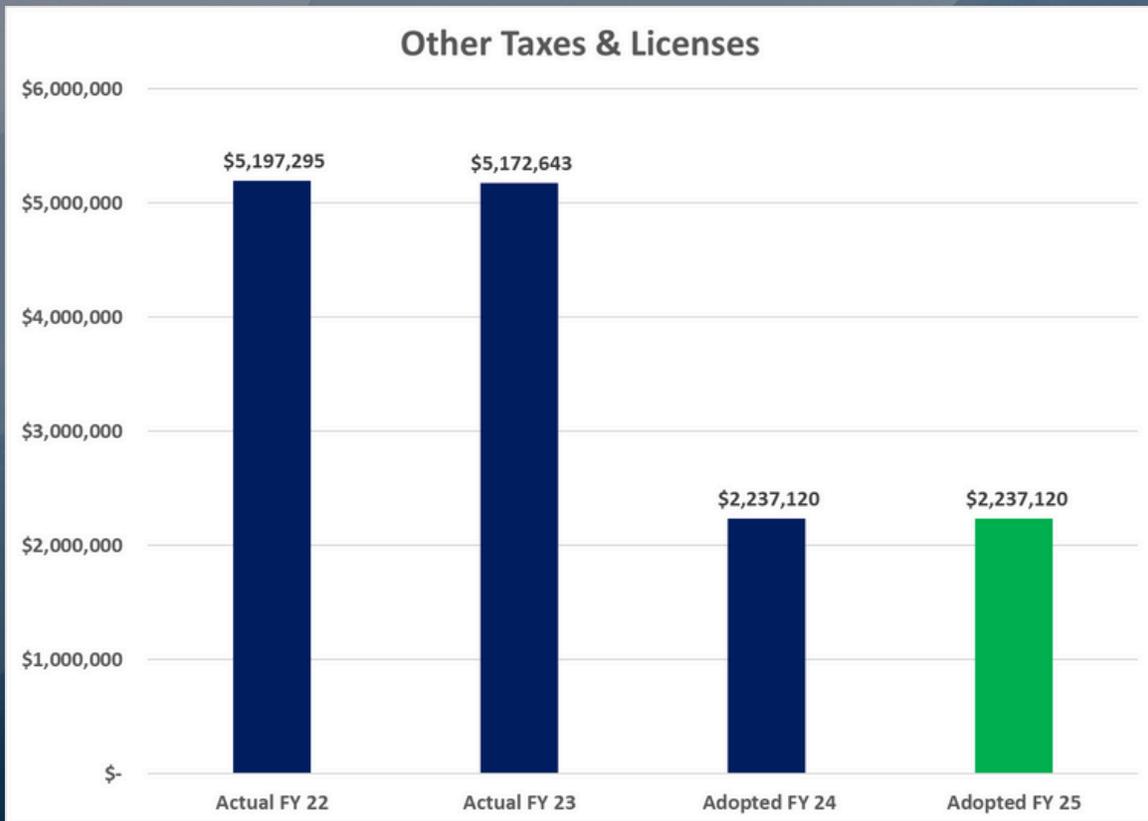

The Adopted Budget includes \$16,354,414 of sales tax in the General Fund for next year. This is equal to an increase of \$475,031 or 3% compared to the current year (FY 24). Sales Tax revenue was calculated based on projected actuals through the end of FY 24 and increased by 3%. The NC League of Municipalities recommended a 3% increase in FY24 projected revenue and that seems reasonable based on actual collections for FY24.

It is worth noting that this amount does not include sales tax revenue earmarked for Haywood County Schools and Haywood Community College. Those revenues are located within designated debt service funds.

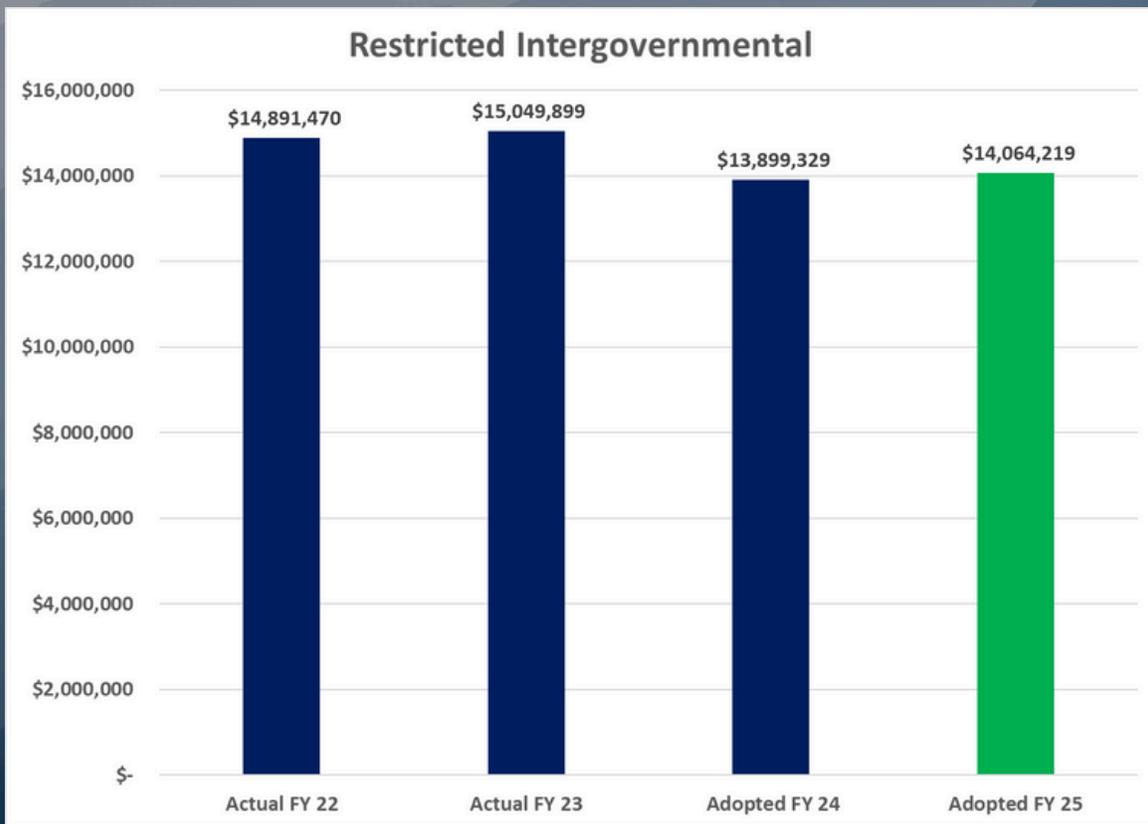

OTHER TAXES & LICENSES

The Other Taxes and Licenses revenue line item has remained flat for the Adopted budget, totaling \$2,237,120. Like last fiscal year, there looks to be a major reduction since FY23. This is directly attributed to the creation of a new Occupancy Tax Fund. Occupancy Tax revenues were accounted for in this revenue type in previous fiscal years, but they are now located in the new fund. Controlling for the movement of Occupancy Tax funds to the new Occupancy Tax Fund, this revenue has not changed from FY23.

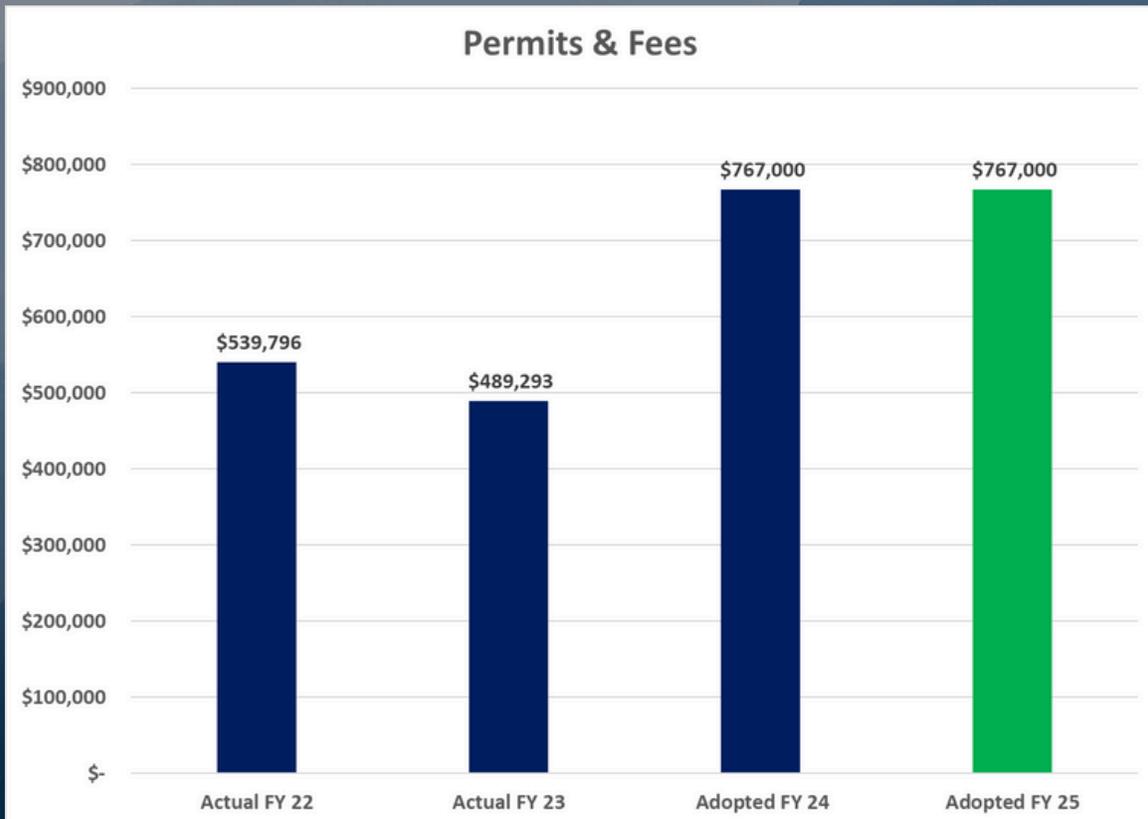

RESTRICTED INTERGOVERNMENTAL

Restricted intergovernmental revenues are revenues that Haywood County receives but are restricted for a specific purpose. Major drivers contributing to this revenue stream are from State reimbursements for HHS and payments from the Town of Clyde to the County for the services provided by the Sheriff's Office. In FY 24, this category has increased \$164,890 or 1.39%.

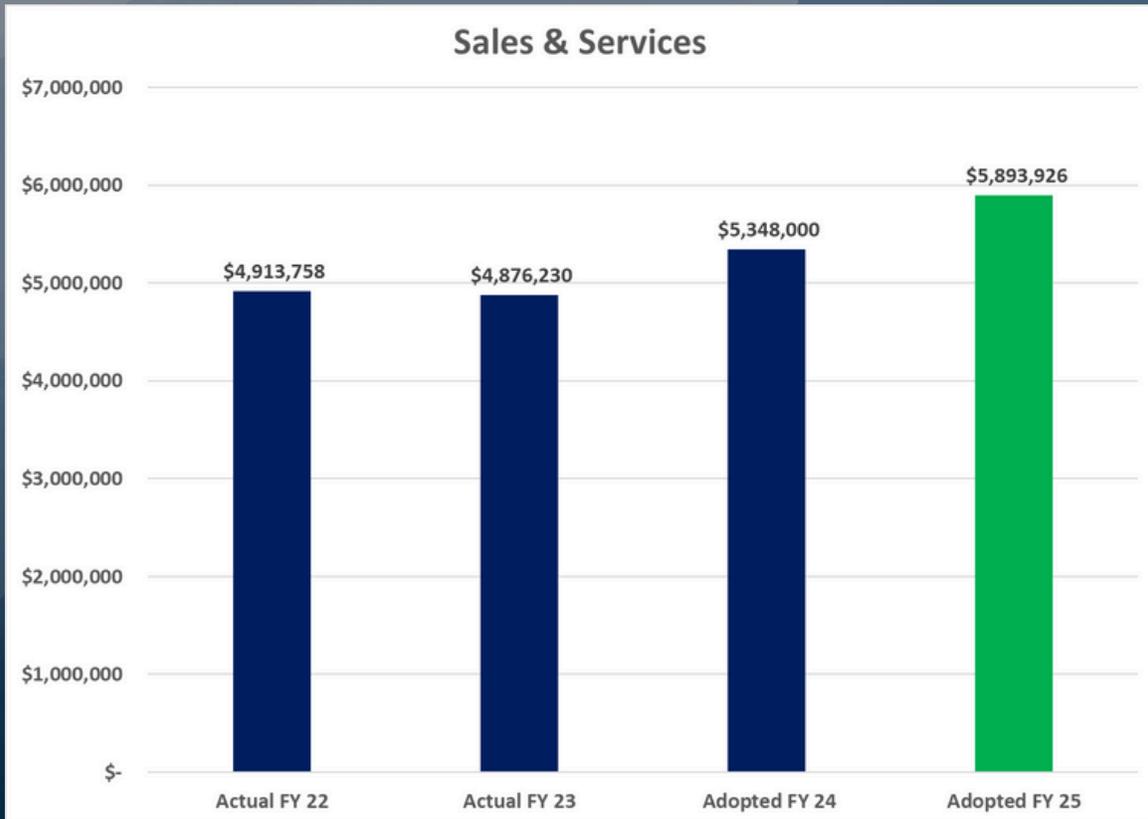

PERMITS & FEES

The Permits & Fees revenue type has remained flat from FY24 to FY25. The County centralized all relevant department fees into a County Fee Schedule during the FY24 budget process. During the process of consolidating the fee schedule, departments were asked to compare their fees to surrounding counties and bring them into alignment with what the market dictated. Some Development Service fees had not been updated since the 2000s and were much lower than surrounding counties. Revenues from these fees have come in roughly as projected and therefore didn't require an adjustment in this budget.

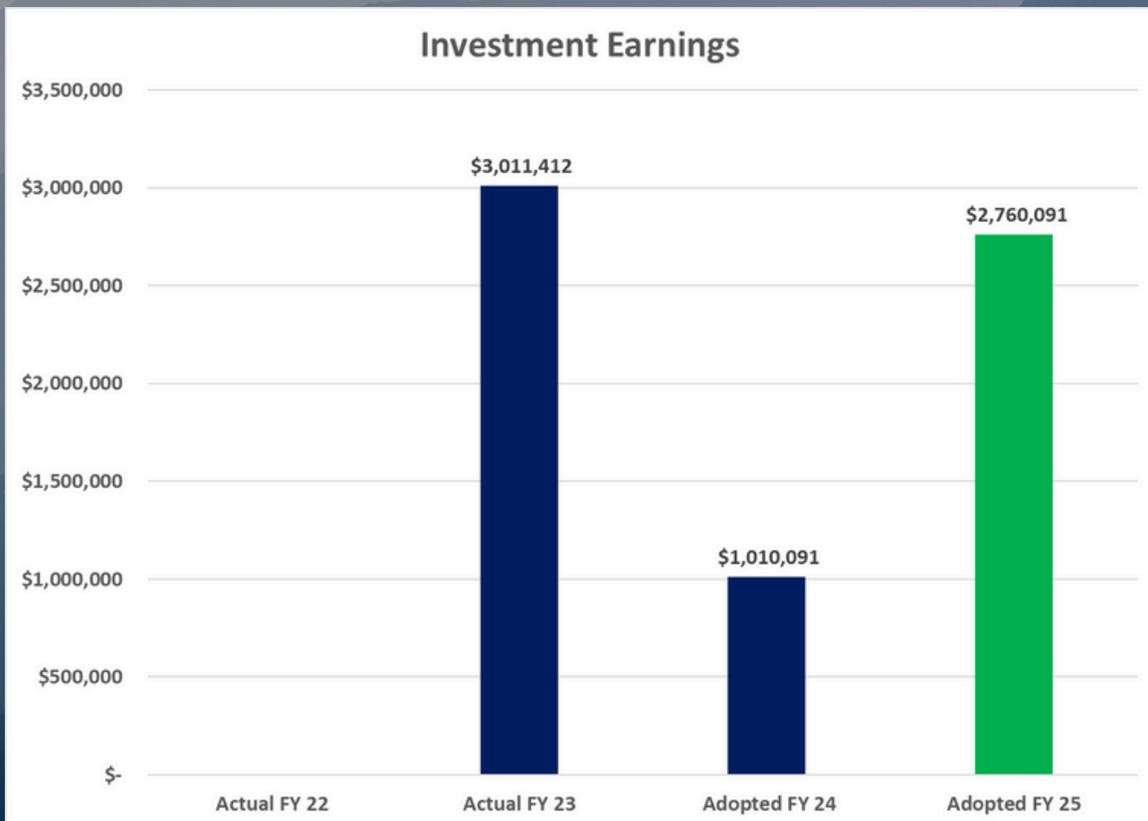

SALES & SERVICES

Revenue derived from sales and services total 5.56% of the General Fund revenue. This category captures most of the collections received from providing services, with the majority of revenue coming from ambulance service charges. The addition of two new convalescent vehicles and the continued expansion of 911 calls is expected to increase the revenue in this line item. A few other revenue streams from sales and services include library and recreation program fees, vaccinations, well and septic inspection fees, and the sale of maps through the GIS department. Overall, Sales and Services are expected to increase by \$545,926 in FY 25.

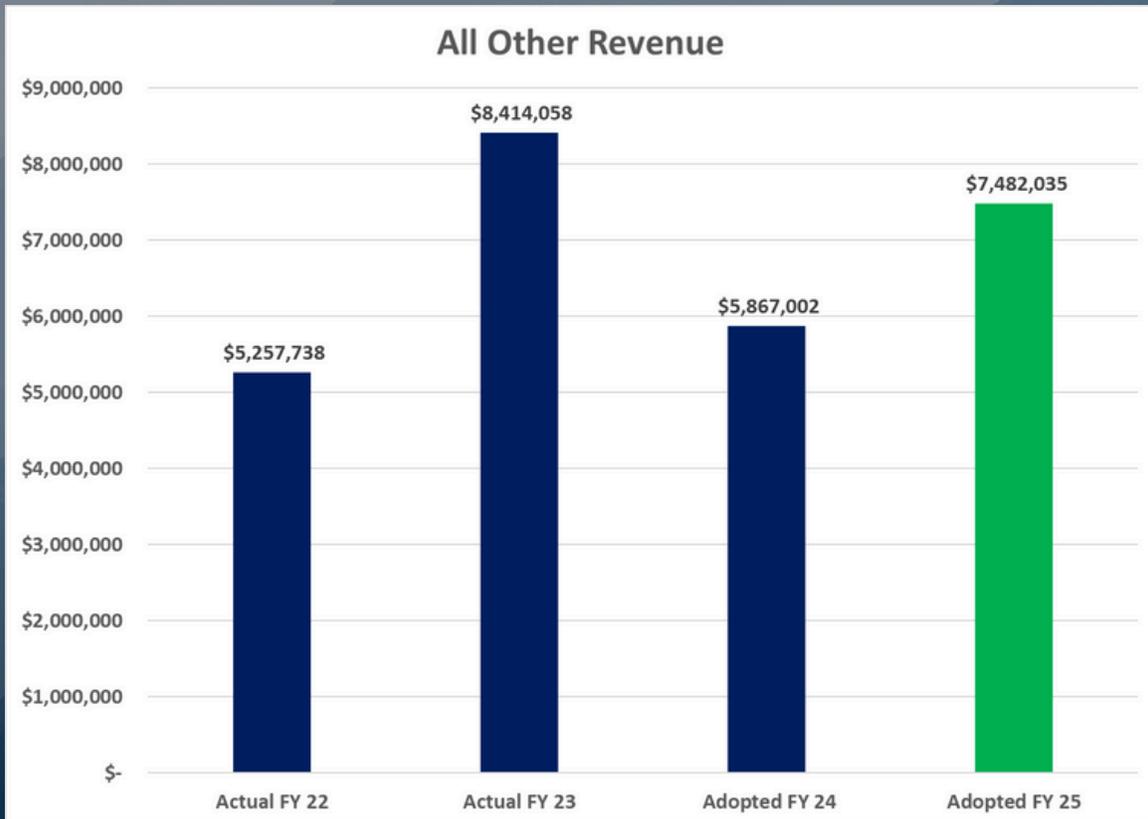

INVESTMENT EARNINGS

Investment earnings is interest earned on the County's deposits and investment of idle funds. Interest rates have remained very low over the past few years, but from May 2022 to April 2024, the County's one day yield increased from 0.57% to 5.25%. This budget projects Investment Earnings to increase by \$1,750,000 in the FY 25 budget compared to FY 24. This is based on FY 24 Actual revenues tempered by the uncertainty surrounding the US Treasury's potential to lower rates during FY25.

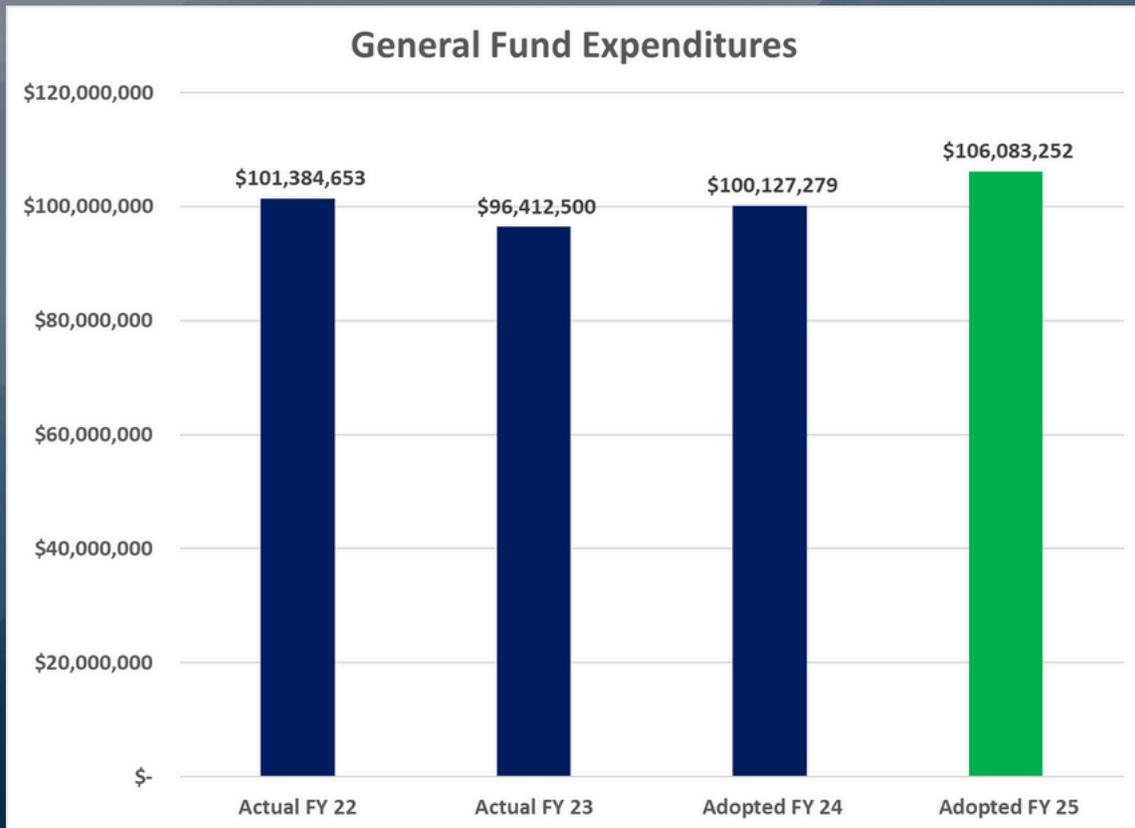

ALL OTHER REVENUE

For presentation purposes, all of the other general fund revenue has been combined into an All Other Revenue category. Beer and wine tax, PILT funds, donations, fund balance, etc. This revenue category is projected to increase \$1,615,033 or 27.53%. This is tied to the rise in fund balance from \$5,164,582 to \$6,801,415. Excluding fund balance, all other revenues in this category are decreasing by \$21., which is tied to the reduction of expected donation revenue.

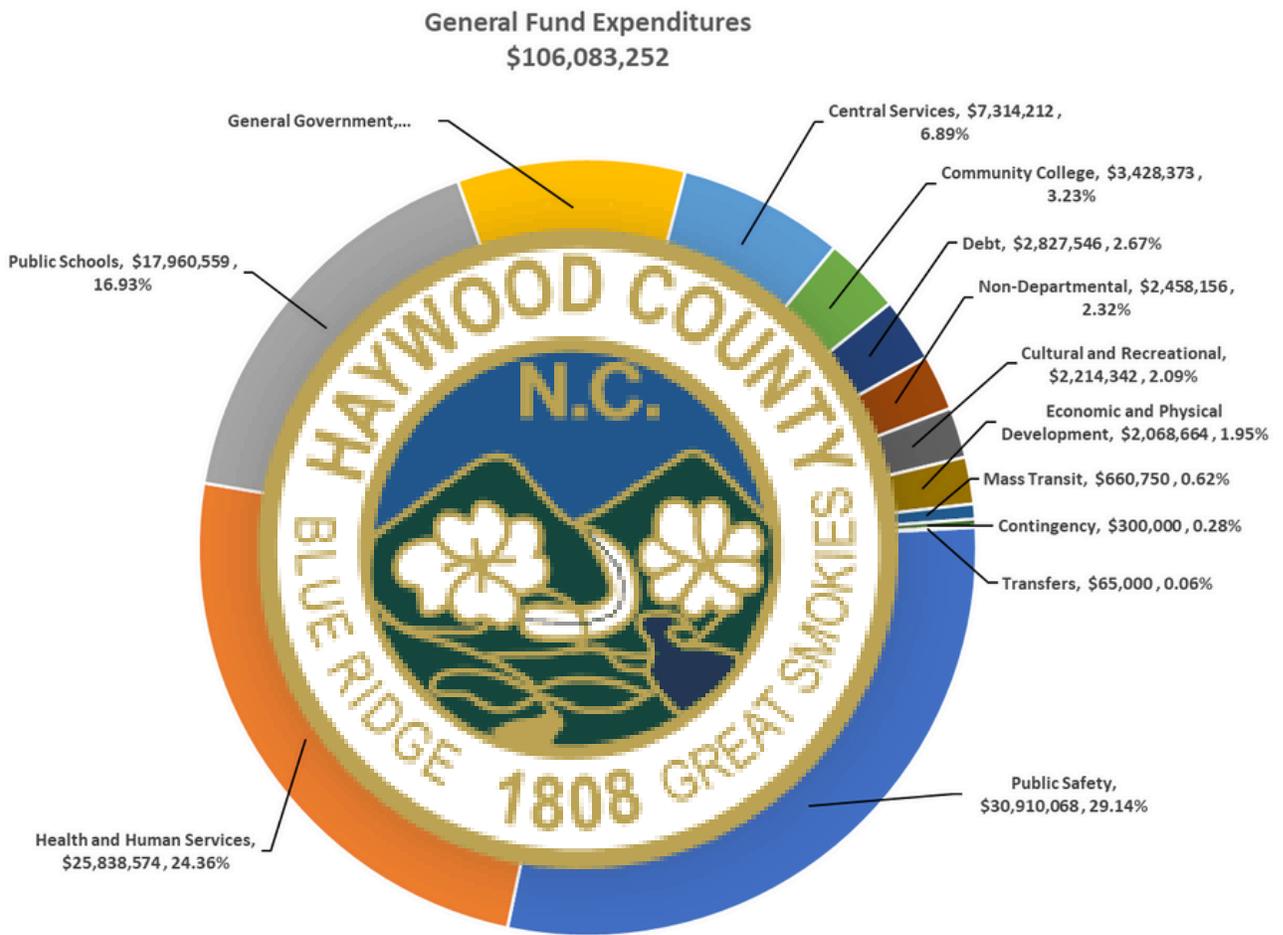

EXPENDITURES

General Fund Expenditures for the FY 25 Adopted Budget are proposed to increase to \$106,083,252. Expenditures in this budget have risen 5.95% which totals to \$5,955,973 more than FY 24. The primary drivers in this budget are threefold. First, the addition of debt from the Jail Expansion Project. Second, personnel costs tied to maintaining competitive salaries, health insurance, retirement contributions continue to increase. The final major driver is operating allocations tied to the County's Information Technology, Haywood County Schools and Haywood Community College.

EXPENDITURES

The graph below shows the Functional Divisions that are driving the expenditures in this budget. Public Safety and Health and Human Services account for 53.49% of General Fund expenditures. Public Safety's portion of the budget is \$1,530,267 higher than last fiscal year. Health and Human Services is \$976,876 higher than last fiscal year.

EXPENDITURES

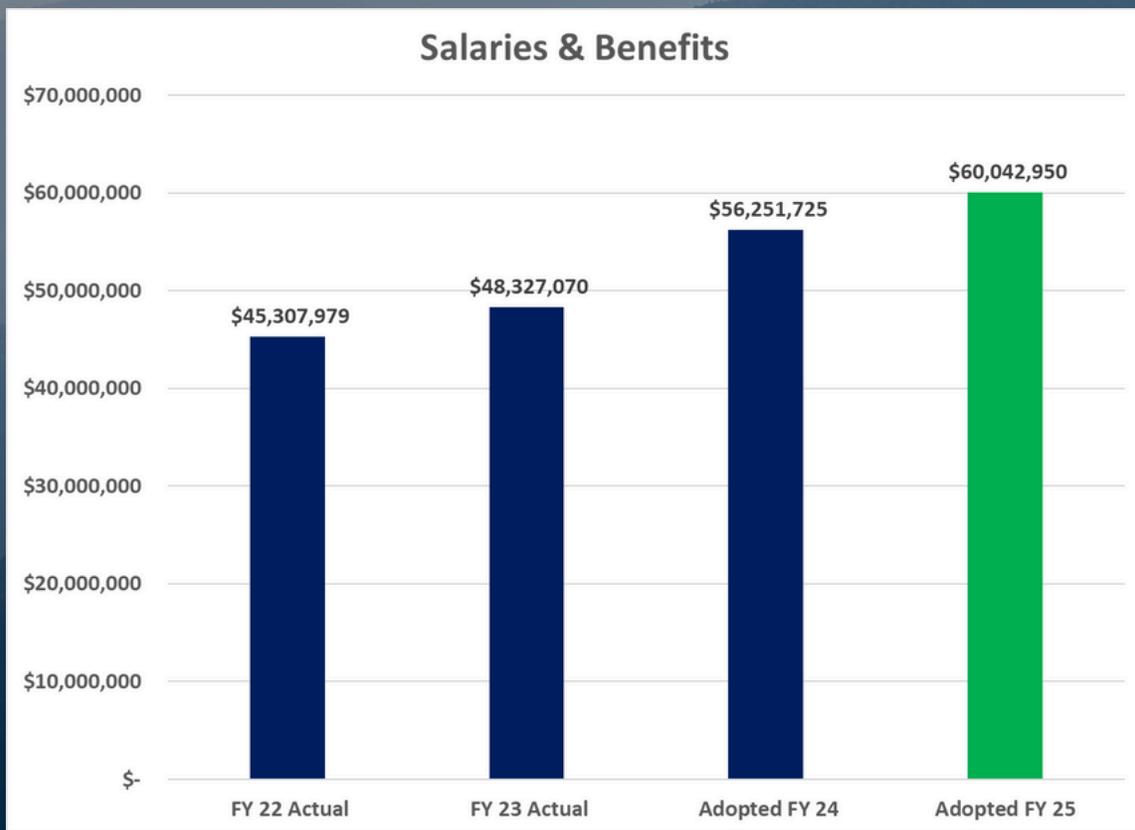

The Central Services function area has increased by 1,213,776, or 19.90%, in the FY25 Budget, but \$765,463 of the funds are being spent on two items: Access Control Panels and NVR/Security Cameras. Although currently functioning, this equipment is nearing it's end of life and will no longer supported. The Education function also has also increased by \$671,909. This is correlated FY24 adoption of a new funding formula for the Haywood County Schools and 3.5% increase in the operating allocation for Haywood Community College.

Function	FY 22 Actual	FY 23 Actual	Adopted FY 24	Adopted FY 25	Adopted FY 25 Over/(Under)	
					Adopted FY24	Change %
Public Safety	\$ 25,163,702	\$26,249,391	\$ 29,379,801	\$ 30,910,068	\$ 1,530,267	5.21%
Health and Human Services	\$ 20,918,941	\$20,826,590	\$ 24,861,698	\$ 25,838,574	\$ 976,876	3.93%
Public Schools	\$ 18,253,338	\$17,645,701	\$ 17,404,586	\$ 17,960,559	\$ 555,973	3.19%
General Government	\$ 7,789,799	\$ 8,209,908	\$ 9,474,581	\$ 10,037,008	\$ 562,427	5.94%
Central Services	\$ 4,565,887	\$ 5,110,440	\$ 6,100,436	\$ 7,314,212	\$ 1,213,776	19.90%
Community College	\$ 3,107,205	\$ 3,200,422	\$ 3,312,437	\$ 3,428,373	\$ 115,936	3.50%
Debt	\$ 2,721,443	\$ 2,008,930	\$ 1,724,841	\$ 2,827,546	\$ 1,102,705	63.93%
Non-Departmental	\$ -	\$ -	\$ 2,847,366	\$ 2,458,156	\$ (389,210)	-13.67%
Cultural and Recreational	\$ 1,863,640	\$ 1,983,947	\$ 2,083,788	\$ 2,214,342	\$ 130,554	6.27%
Economic and Physical Development	\$ 4,525,169	\$ 4,949,822	\$ 1,986,995	\$ 2,068,664	\$ 81,669	4.11%
Mass Transit	\$ 478,396	\$ 620,442	\$ 585,750	\$ 660,750	\$ 75,000	12.80%
Contingency	\$ -	\$ -	\$ 300,000	\$ 300,000	\$ -	0.00%
Transfers	\$ 11,997,132	\$ 5,606,909	\$ 65,000	\$ 65,000	\$ -	0.00%
General Fund Expenditures	\$ 101,384,653	\$96,412,500	\$ 100,127,279	\$ 106,083,252	\$ 5,955,973	5.95%

The functional divisions of the budget are important because they display where the expenditures are distributed. However, by categorizing the expenditures within the budget by Salaries & Benefits, Operating, Capital instead of functional lines, we are able to see where the expenditures have changed across the organization.

COUNTY SALARIES & BENEFITS

Salaries and Benefits for this year are proposed to increase by \$3,791,225. This year's budget incorporates a 3% COLA, 2% Merit increase, and the Christmas bonus. The County wants to continue attracting and retaining the highest caliber employees in a very competitive job market. The 5% combined COLA and Merit is intended to keep salaries competitive with surrounding counties, offset the cost of inflation, and provide a mechanism for high-quality employees to be rewarded. The Local Government Employee Retirement System also required the Local Government contribution to increase from 12.85% to 13.60% for general employees and 14.10% to 15.10% for Law Enforcement Officers, for a total cost of \$618,965.

COUNTY SALARIES & BENEFITS

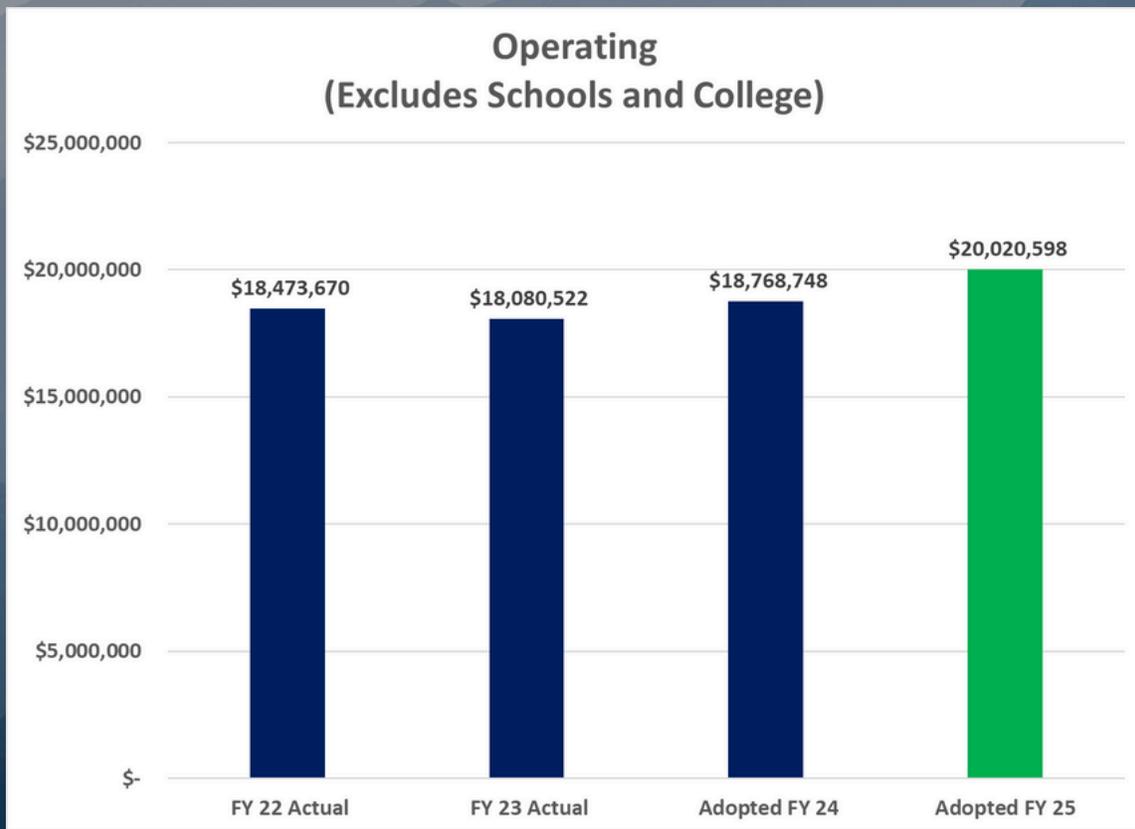

We changed our insurance provider to Aetna in January 2020 and overall the transition continues to be smooth, and most employees and retirees are very happy with the change. The County's portion of health insurance will need to be raised again this year. The increase will from \$19,500 per person to \$20,000 is necessary to keep up with the cost of healthcare industry-wide.

Department	Positions Requested	Positions Approved
Sheriff	6	0
EMS/EM	4	0
Tax Assessor	3	0
HHS	2	0
IT	1	0
Library	1	0
Economic Development	1	0
Total	18	0

The Adopted budget includes zero new positions of the 18 requested by departments. Each of these positions has merit, but the cost of salaries and benefits for existing employees makes increasing headcount difficult. These positions may be reevaluated next fiscal year if need dictates.

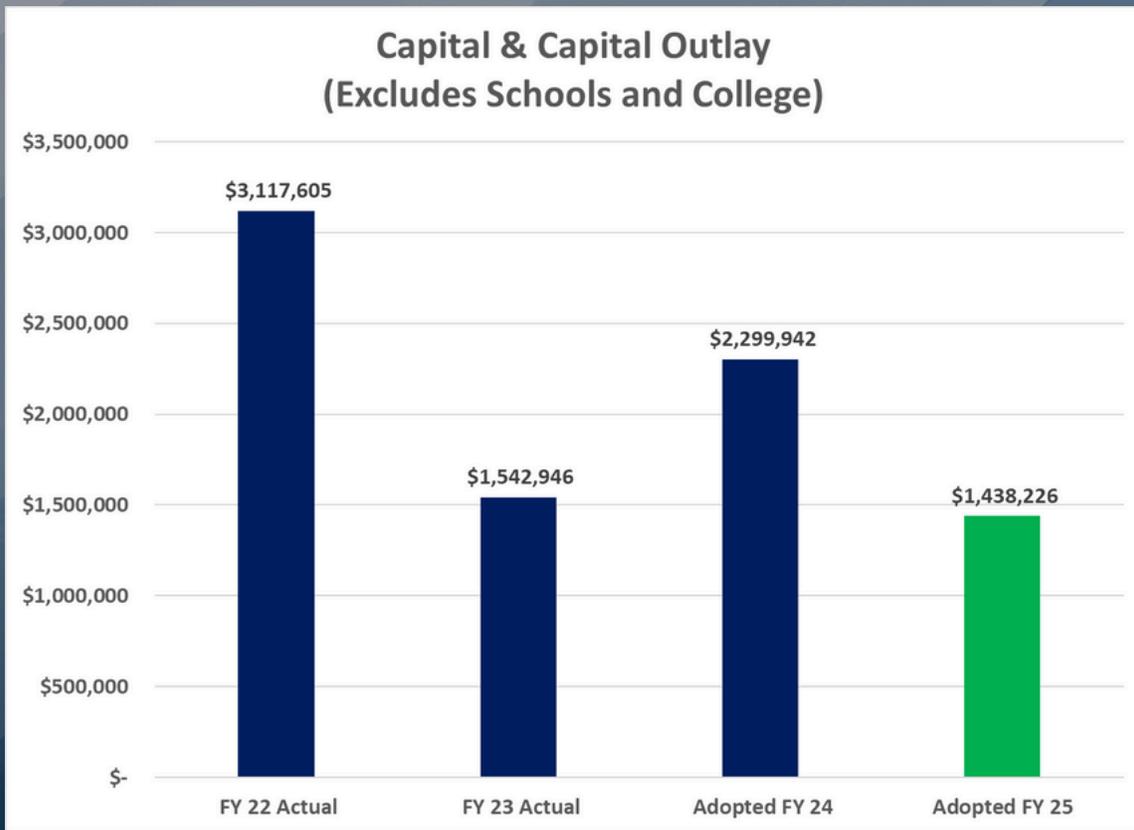

COUNTY OPERATING

When controlling for Education funding, County Operating has increased by \$1,251,850 or 6.67%. When removing the Access Control Panels and NVR/Security Cameras, Operating is only increasing \$586,387. This budget streamlines operating expenses to only what is necessary, including only replacing equipment that has reached end-of-useful-life and tied to the continued cost of inflation on supplies.

COUNTY CAPITAL

County capital outlay is budgeted at \$1,438,226. This represents a decrease of \$861,716 or 37.47% from FY 24. The primary driver of this type of expenditure is the reduction in vehicles recommended from 28 in FY24 to 16 in FY25. Outside of vehicles, there are funds to replace two HVACs: one at the Law Enforcement Center and one at the Historic Courthouse.

COUNTY VEHICLES

The County implemented a more proactive fleet management system during FY 21. This system has been essential in minimizing the impact of continued vehicle supply shortages. By maximizing the vehicle's useful life, offsetting costs by utilizing departmental transfers and reimbursements from the State, and thoughtfully planning new vehicle purchases, the county has been able to use vehicles longer and saved money in the long run.

Department	Number of Vehicles	Cost
Sheriff - Patrol	6	\$ 417,109
Emergency Services	3	\$ 332,362
Sheriff - Detention	2	\$ 165,032
Garage	1	\$ 53,154
DSS	1	\$ 49,446
Environmental Health	1	\$ 46,974
Inspections	1	\$ 46,974
Development Services	1	\$ 35,850
Total	16	\$ 1,146,901

During this process, all County vehicles were inspected and checked for mileage, and Fleet Services identified the need for 16 new vehicles, for a total expected cost of \$1,146,901. Eleven of the 16 vehicles are in the Public Safety function area.

EDUCATION

The County will continue funding operating expenditures for the Haywood County Schools and the Haywood Community College out of the General Fund. The revised Funding Formula increased the funds allocated per pupil for the Haywood County Schools again this fiscal year, but the drop in student population continued to limit the growth of school funding. The total operating allocation to the schools increased from \$17,404,586 to \$17,960,559, a total of \$555,973. Haywood Community College operating funds are recommended to increase \$115,936 to a total of \$3,428,373.

Haywood County Schools	
Operating	\$ 17,960,559
Capital	\$ 1,250,000
Debt	\$ 1,766,357
Total	\$ 20,976,916

Haywood Community College	
Operating	\$ 3,428,373
Capital	\$ 750,000
Debt	\$ 1,575,803
Total	\$ 5,754,176

The School System and College’s debt and capital funding come from local option Sales Tax. That revenue are allocated within their two respective Debt Service Funds. These Sales Tax funds will be used to pay debt and fund capital needs. The amounts used for debt and capital this year are displayed above. Sales Tax revenues not used this year will remain in the Debt Service Fund for future debt or capital needs.

OTHER FUNDS SUMMARY

In addition to the General Fund, the County manages several additional funds. The County has two Internal Service Funds. One for the health plan totaling \$14,107,809. Our health plan continues to project significant cost increases over the previous fiscal year, so these increases are commensurate with our current trend estimates. The other is a Worker's Compensation Fund totaling \$516,486.

To separate sales tax funds for Haywood County Schools and Haywood Community College that have specific restrictions related to debt and capital, we have set up debt service funds. The County School System Debt Service Fund totals \$5,105,995 and the College Debt Service Fund totals \$3,684,327. This approach fully funds our debt obligations and capital allocations.

OTHER FUNDS SUMMARY

An Emergency 911 Fund is also budgeted, which totals \$498,000. The largest fund outside of the General Fund is the Solid Waste Fund which totals \$6,324,720.

The Road District Fund totals \$310,598, the Fire District Fund totals \$6,515,451, and the Junaluska Sanitary District Fund totals \$556,954, a increase of \$13,877. One Fire Districts is requesting an increase in tax rate: Central Pigeon from 8.5 cents to 9.5 cents. Two Road Districts are requesting an increase in tax rate: Maggie Valley Country Club from 19 cents to 20 cents and Norman Road from 20 cents to 25 cents. The Junaluska Sanitary District is also requesting a rate increase from 6 cents to 10 cents.

Three funds were created in FY 22 to comply with GASB 84. These are the Register of Deeds Recording Fees Fund, Fines and Forfeitures Fund, and Representative Payee Fund, totaling \$61,000, \$350,000, and \$910,000 respectively.

A new fund was created for the FY24 Budget to collect Occupancy Tax and distribute it to the Tourism Development agency. FY25 collections are expected to be \$3,512,000.

ORGANIZATIONAL STRATEGY

VISION & MISSION STATEMENTS

Vision Statement: Haywood County is a thriving mountain community; one that stays true to it's roots, while also adapting to meet the needs of the future.

Mission Statement: Haywood County will provide the highest quality services to it's citizens, with the understanding that they make Haywood County the Pride of the Smoky Mountains.

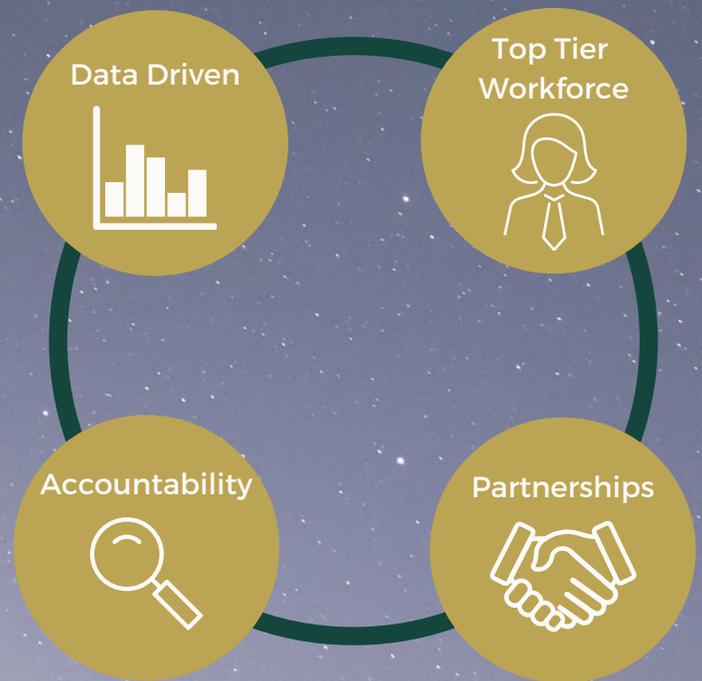

ORGANIZATIONAL OUTCOMES

To make the vision a reality, the county has identified essential outcomes to guide our staff in everything we do. These objectives are split into two types: Community and Governance. Community outcomes describe the vital features of a high-functioning community. Governance outcomes describe the vital features of a high-functioning organization. By staying true to these outcomes, we will be able to create the reality we want to see in Haywood County.

Community Outcomes

Governance Outcomes

COMMUNITY OUTCOMES

Community outcomes give a concrete vision for the type of community Haywood County strives to create and protect. They are defined as the following:

- **Safe and Secure:** We believe protecting those who live, work, and visit Haywood County is of the utmost importance and we strive to provide top-flight public safety services to meet this challenge.
- **Economic Hub:** We believe every Haywood County citizen should have access to high-paying, sustainable jobs, with the community becoming an economic driver within the Western North Carolina region.
- **Healthy Living:** We believe everyone is entitled to resources that improve community health, both physically and intellectually, whether that be medical services, literary material, or outdoor recreation.
- **Sense of Place:** We believe Haywood County is a gem unearthed from the Great Smoky Mountains and we want to preserve the historical roots making this such a great place to live while simultaneously encouraging development that allows us to preserve our way of life.

Data Driven

Accountability

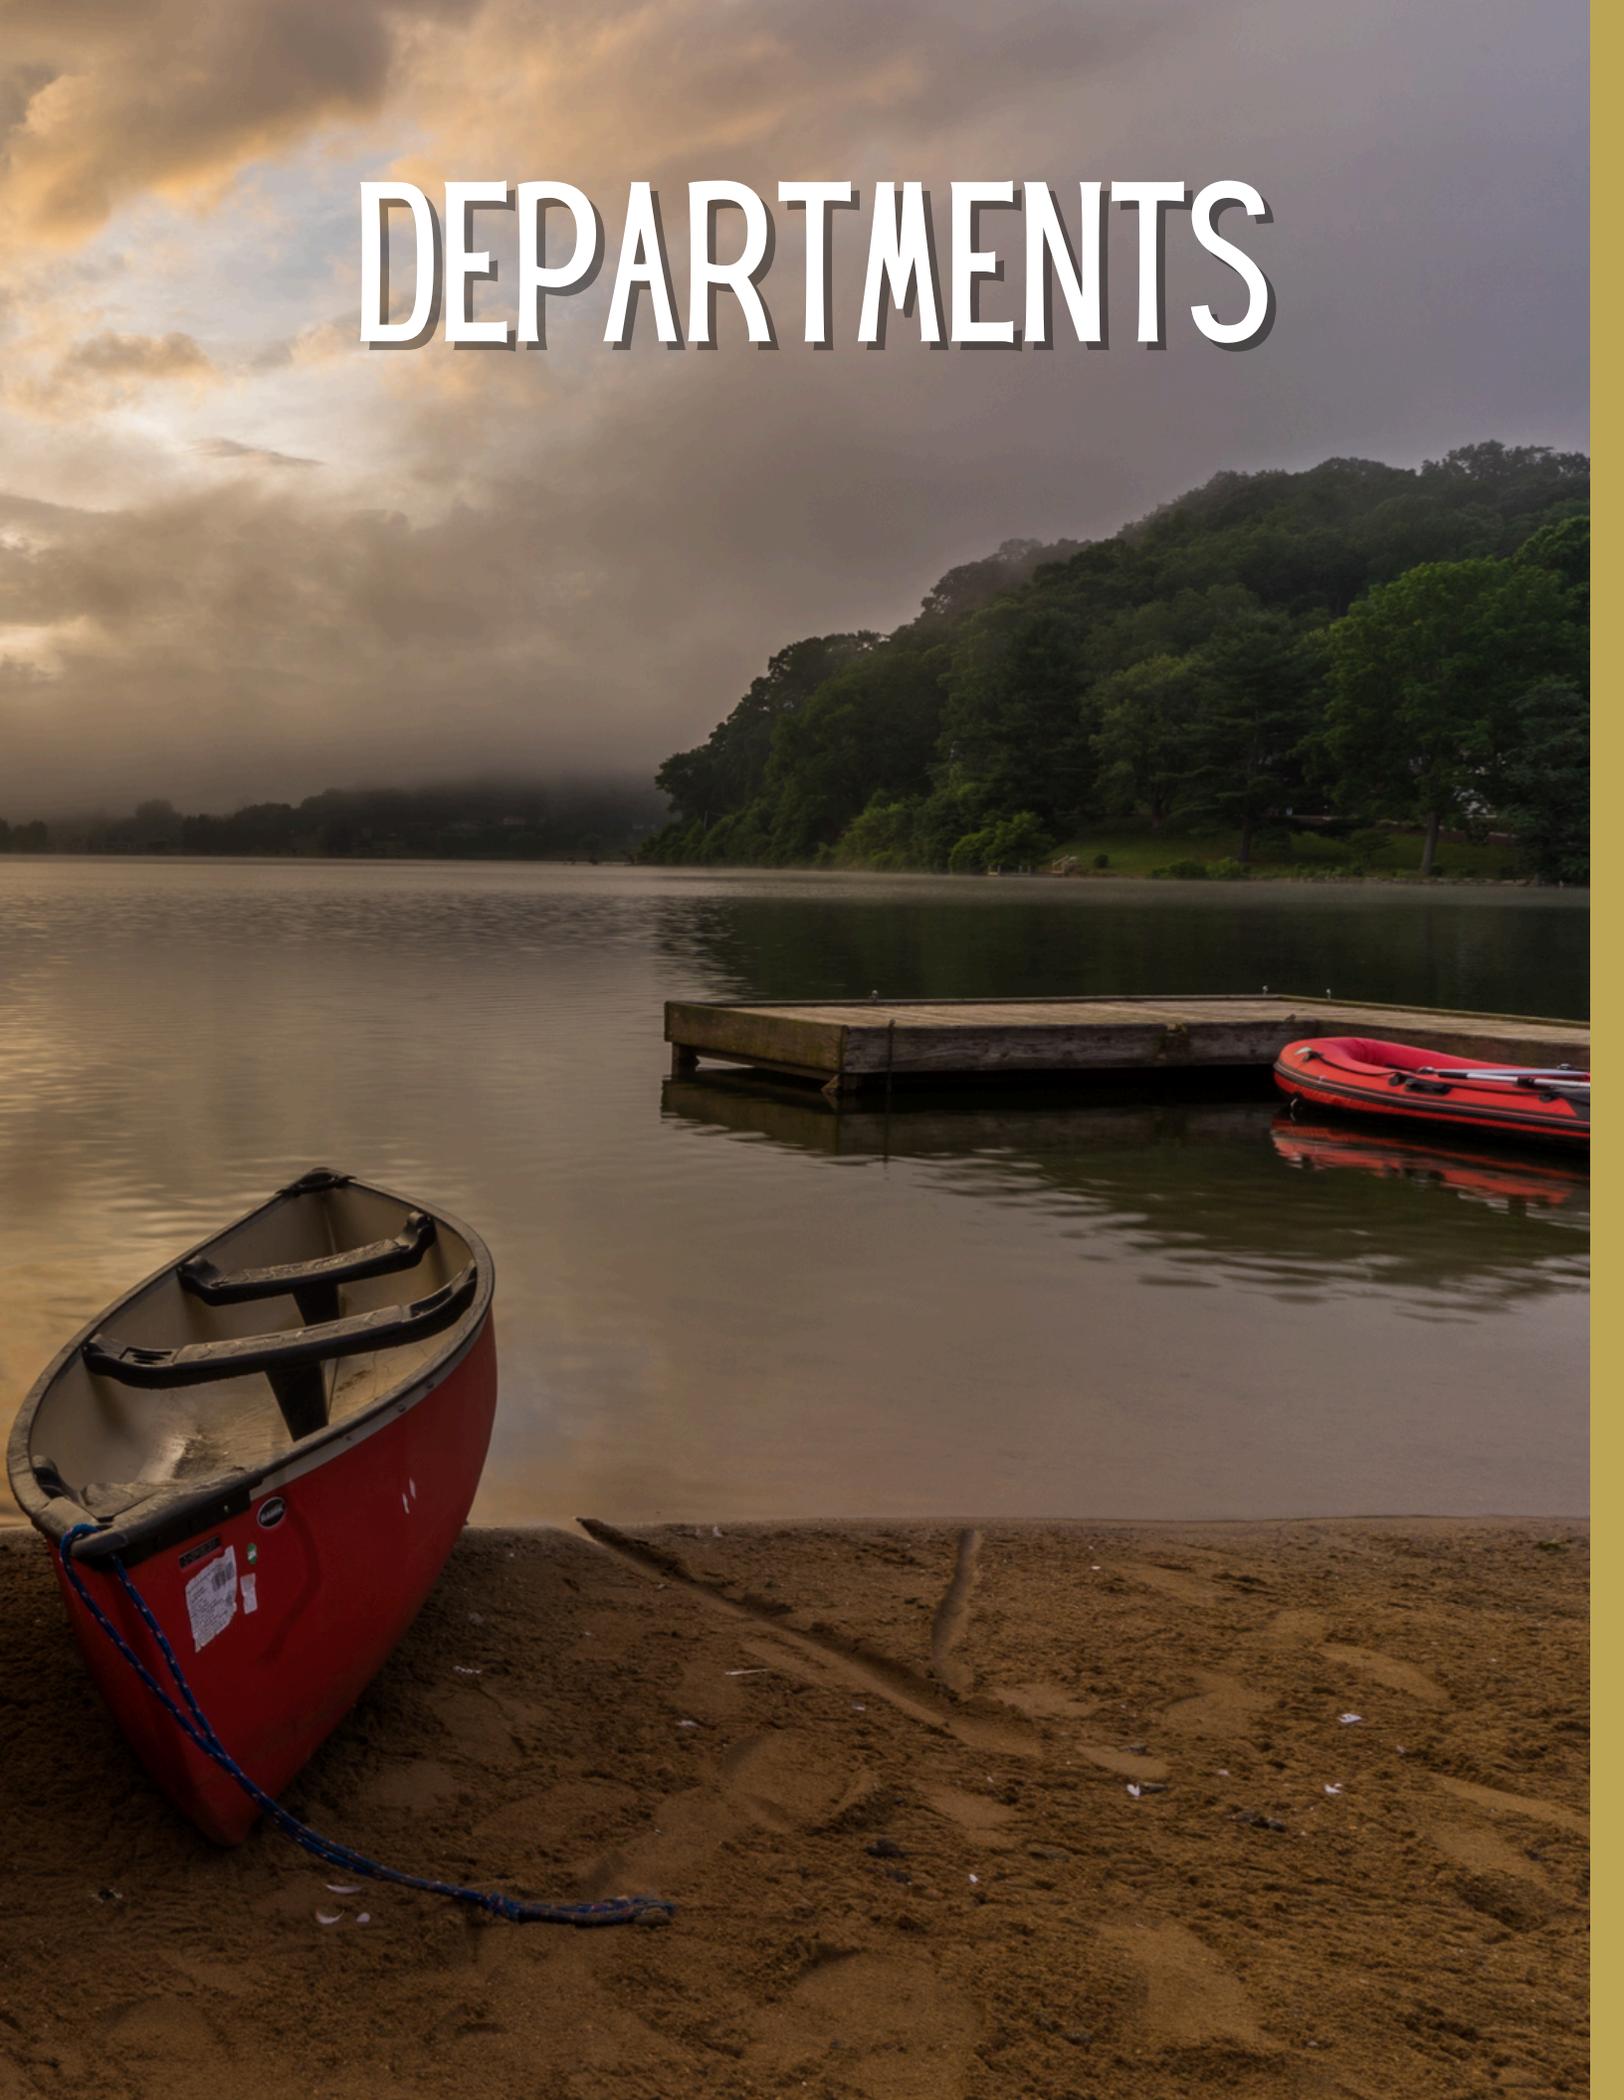

Governance outcomes drive the decision-making process internally at Haywood County. Best practices across the County have informed these outcomes. They are defined as the following:

- **Top Tier Workforce:** We believe Haywood County will attract the best possible candidates when hiring for positions, focusing on individuals who excel in customer service and understand what it means to live and work in a mountain community.
- **Partnerships:** We believe Haywood County isn't situated to provide every service needed by the public. To fill the gap, Haywood County works to partner with community organizations.
- **Data Driven:** We believe data driven decision-making is a feature of any high-functioning organization. Haywood County uses data to inform leaders, with the intent of making sure they have the most accurate information possible when making long-lasting decisions.
- **Accountability:** We believe transparency and accountability are a hallmark of a great government and Haywood County strives to be as transparent as possible.

FINANCE

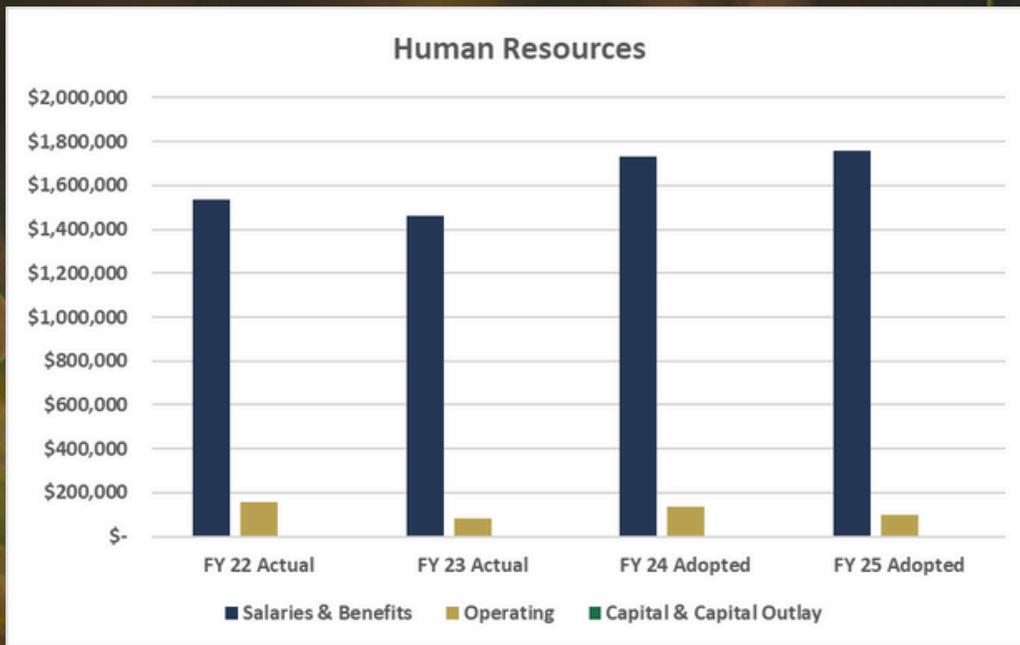

The Finance Department provides fiscal management of County activities in accordance with the North Carolina Local Government Budget and Fiscal Control Act (NC G.S. 159). The Finance Department is responsible for managing the General Fund, Special Revenue Funds, Internal Service Funds, and Capital Project Funds totaling over eighty million dollars, as well as intergovernmental component unit accounting and reporting. It is also responsible for maintaining and reporting accurate financial information and ensuring compliance with County policies and internal controls. The integrity of the County's financial reporting is assured through a system of internal controls, internal audits, and an annual audit by an independent certified public accounting firm.

911 COMMUNICATION CENTER

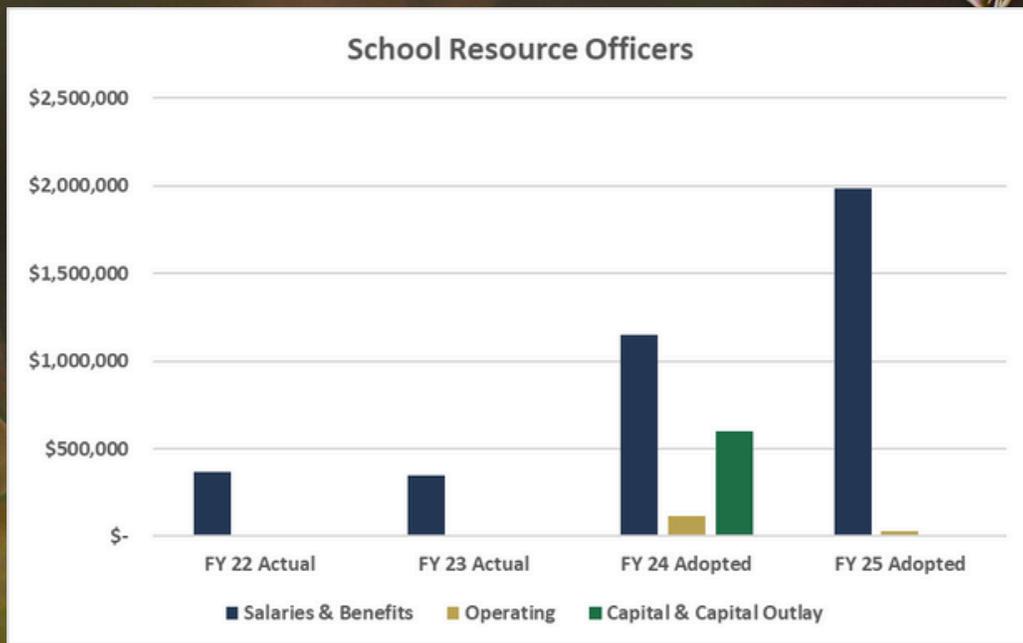

The Haywood County 9-1-1 Communications Center, also known as Haywood Communications, answers emergency and non-emergency calls for service 24 hours a day, 365 days a year and dispatches the appropriate help. The professional staff provides quality service not only to our citizens but also to the first responders that we serve. Emergency communications in the mind of both citizens and public safety professionals are synonymous with “911”; the number dialed in an emergency.

MEDICAL EXAMINER

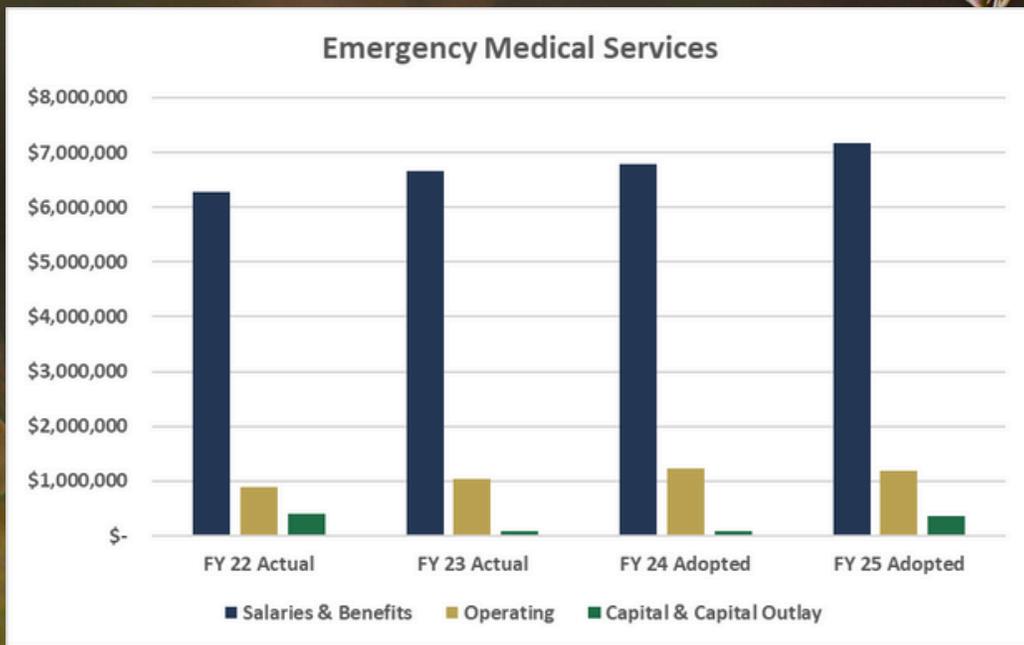

The Medical Examiner (ME) determines how, when, and by what means a person met his or her death. The ME is in charge of the investigation of criminal deaths or questionable deaths in the interest of the public. It is the primary duty of the ME to state whether a death resulted from a criminal act or fault on the part of another person. The ME can close a case if it is decided that the death was not the result of a criminal act.

SOIL & WATER CONSERVATION

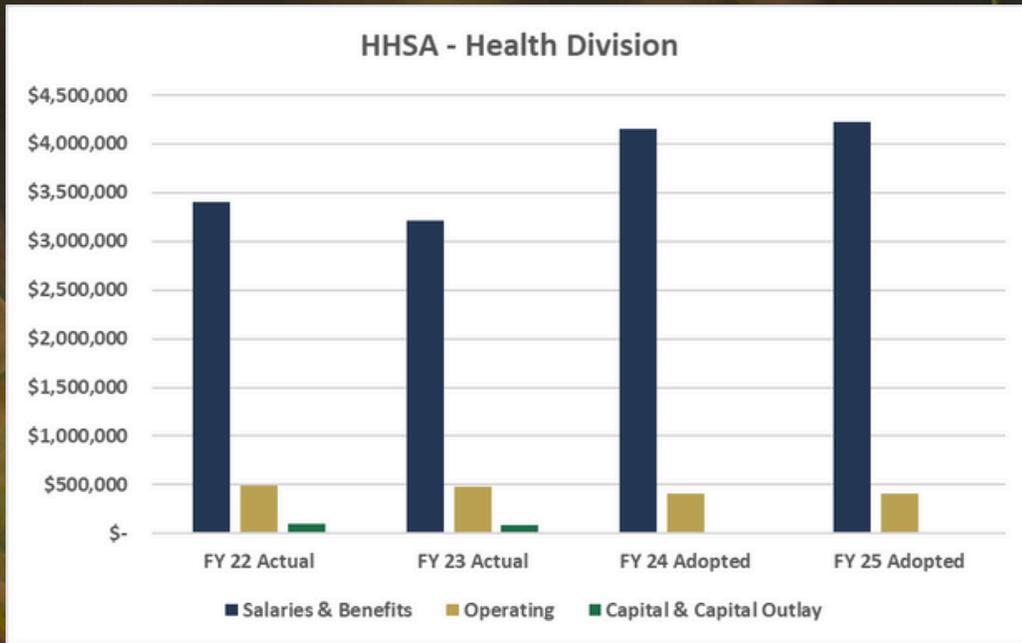

Soil and water conservation districts were established so that citizens could get assistance on the local level with conserving and managing important natural resources. The District is a non-regulatory agency that offers help on a voluntary basis. We have technicians who can advise you about erosion problems or tell you about the North Carolina Agriculture Cost Share Program. A United States Department of Agriculture (USDA) employee also works out of our office, offering several federal programs such as the Environmental Quality Incentive Program (EQIP). The District also has a year-round education program that includes field days, contests, teacher workshops and many other activities designed to complement and enrich student understanding about the environment.

APPENDIX A: GLOSSARY

GLOSSARY

Adopted Budget

The budget approved by the County Commissioners and enacted, on or before June 30 of each year.

Ad Valorem Taxes

Commonly referred to as property taxes, ad valorem taxes are levied on the value of real, certain personal, and public utility property according to the property's valuation and tax rate.

Allocate

To distribute (resources or duties) for a particular purpose.

Annual Budget

A budget that covers a single fiscal year

Assessment

The process for determining values of real estate and personal property for taxation purposes.

Balanced Budget

A budget in which the sum of estimated net revenues and appropriated fund balance is equal to appropriations.

Budget

An annual financial plan that identifies revenues, specifies the type and level of services to be provided, and establishes the amount of money which may be spent within a certain time period.

Budget Document

A formal document presented to the Board of Commissioners containing the county's financial plan for a fiscal year.

Capital

A budget allocating money for the acquisition or maintenance of fixed assets such as land, buildings, and equipment.

Capital Outlay

Expenditures for the acquisition cost of capital assets, such as equipment, or expenditures to make improvements to capital assets that materially increase their value or useful life.

GLOSSARY

Debt Service

Payment of interest and principal on an obligation resulting from the issuance of bonds.

EMS

Emergency Medical Services.

Expenditures

The measurement focus of governmental fund accounting. Financial resources expended during a period for operations, capital outlay, and long-term principal retirement and interest on debt. Expenditures reflect the cost incurred to acquire goods or services

Fiscal Year (FY)

The year in which the budget is adopted starts on July 1st and ends on June 30th of the next year.

Fund

An annual compilation of the projected revenues and expenditures for a government fund.

General Fund

The general operating fund of the county used to account for all financial resources except those required to be accounted for in another fund

Geographic Information System (GIS)

A computer-based technology that captures, stores, analyzes and displays information about places on the earth's surface: what's on it; what's under it; what the land is worth; where the natural resources, people and utilities are located.

Manager's Message

A written overview of the proposed budget from the county manager to the Board of Commissioners which discusses the major budget items and the county's present and future financial condition.

Mission Statement

Fundamental purpose; a statement of what a department really wants to accomplish. The statement should refer to the impact on the County and its people.

GLOSSARY

Operating Expenditures

The cost for personnel, materials and equipment required for a department to function.

Project Fund

This is a fund that includes on-going revenues and expenditures that “roll” from one year to the next, such as Tropical Storm Fred's recovery.

Recommended Budget

The budget presented to the County Commissioners with the endorsement of the County Budget Officer/County Manager.

Revenue

Income (excluding transfers and proceeds from the sale of bonds or notes) for the fiscal year. The major categories of revenue include local taxes, state shared revenues, fees and charges, interest on investments, federal revenue sharing, and fines and forfeitures.

Special Revenue Funds

Account for the proceeds of specific revenue sources (other than trusts for individuals, private organizations, or other governments, or for major capital projects) that are restricted or committed to expenditures for specified purposes.

Strategic Plan

This is a long-range plan that guides the direction of the County departments in how to conduct day-to-day business to reach longer term goals.

Tax Rate

The amount of tax levied for each \$100 of assessed valuations.

Transfers (In/Out)

Amounts transferred from one fund to another to assist in financing the services for the recipient fund.
