ABOUT

The Haywood County Public Library Foundation, Inc. is a tax-exempt, charitable organization, incorporated in 2012 to receive funds to strengthen and expand our local public library system. An independent Board of Directors governs the Library Foundation to respond to community needs. Effective local leadership is key to ensure the library keeps pace with its role in connecting the community.

MISSION

The Foundation works closely with library administration to identify needs the Foundation can fund, beyond basic services provided by the operating budget. Some examples of enhancements the Library Foundation has supported:

- Upgrades in technology and equipment
- Improvements to facilities
- Appalachian and Haywood County cultural heritage collections
- Materials for outreach in the community

The Foundation seeks to provide resources to achieve change, serves to connect the community according to identified needs, and provides for community involvement for all Haywood County citizens at every age.

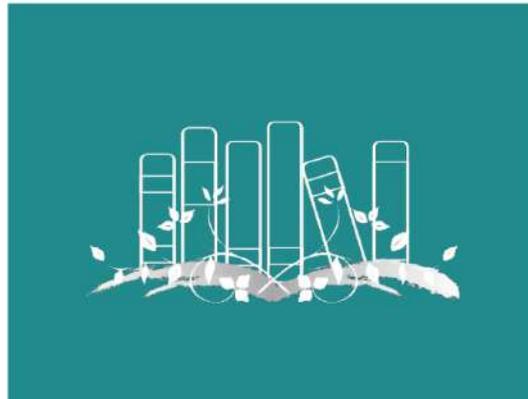

METHODS OF GIVING

Your gift to the Foundation will be greatly appreciated.

Simple methods of giving include writing a check or leaving a bequest in your will.

Other more advanced methods of giving can be arranged and include:

- Contributed securities
- A charitable trust
- Qualified Charitable Distribution (QCD) from your IRA
